- How to turn impact into operational plans at portfolio companies |
11:00
Coffee & networking

11:30
Fireside chat: implementing a new, post-merger operating model with the existing management team

Establishing a new operating model and way of working is an essential step for implementing many value creation plans. With buy-and-build, major organisational changes are needed to realise synergies. This unique session will highlight a case study of successfully implementing a new international operating model with the existing management of former competitors. It will provide practical insights on engaging and retaining management for a new value growth journey.

Moderator: Andros Payne, Managing Partner and Founder, Humatica
Stijn Vos, Chief Executive Officer, Esdec
Joost Heeremans, Director and Program Manager PEP, Gilde Buy Out Partners

12:00
Add-on acquisitions: How operators can add value as part of a buy and build strategy

- Which sectors are most well suited to this approach to value add?
- Why technology and digitisation has made buy-and-builds more attractive
- How to think about a company’s cash flow when they’ve had multiple mid-year acquisitions
- Executing value creation strategy to ensure new acquisitions are integrated seamlessly
- Creating a playbook to prepare a company’s process, technology, and people for a merger

Moderator: Senior representative, Alix Partners
Franck Temam, Principal, PAI Partners
Antonin de Margerie, Portfolio Performance Managing Director, Eurazeo
Jean-Philippe Syed, Principal, Development Partners International

12:30
Deal Mechanic case studies: Operational excellence stories explained by the participants

Suggested case studies to invite

- Nordic Capital: AniCura
  Richard Riboe, Director, Nordic Capital
- Sun European Partners: ELIX Polymers
  Tim Stubbs, Senior Managing Director, Sun European Partners
13:15
Themed networking working lunch followed by close of conference
Tables discussing a variety of topics over lunch led by an expert moderator
