Sponsorship opportunities 2020

Welcome

Private Debt Investor (PDI) provides a complete service covering private debt news and intelligence. Whether you are tasked with restructuring existing capital structures, sourcing new debt funding for private assets, or an investor wanting to acquire a deeper understanding of how private debt can fit in your allocation model, PDI is the vital intelligence service to help you optimise your debt strategy.

The PDI Forums are built on this strong foundation of servicing the private debt markets, working with our editorial team, sponsors and industry leaders to construct an agenda that is highly relevant to all those who attend. As such, our programmers are designed and held to the strictest of standards.

We have two market leading events in our EMEA portfolio:

- **6th Annual PDI Germany Forum | 18-19 June, Munich**
- **8th Annual PDI Capital Structure Forum | October, London**

As a sponsor, you can contribute to the focus of the agenda, take advantage of exclusive, preferential networking opportunities, and raise your profile amongst the leading private debt managers and investors at the most prestigious events in the industry.

Every package is unique to the sponsor and has been designed with your objectives in mind. We tailor all our offerings to ensure you get most value from working with us. More detailed information is available upon request, please don't hesitate to contact me directly.

Best regards,
