AGENDA HIGHLIGHTS

01/ 10 YEAR ANNIVERSARY SESSION

Keynote panel considering how far the industry has come in the past 10 years of ESG in private equity, featuring industry big hitters present at the inaugural PEI forum including Tom Rotherham, Adam Black, Olivier Millet and Mike Powell.

02/ THE RISE OF IMPACT

Featuring representatives from Bridges Fund Management, TPG & Bain Capital, the session will discuss the emergence of impact funds and what it means to private equity. What can PE learn and why are big PE funds launching impact strategies?

03/ CLOSED DOOR BREAKFAST

Invitation only LP & GP breakfast briefings creating an informal environment to discuss best practice with your industry peers.

04/ UTILISING DATA

How funds can use data to drive ESG performance and show impact. This session featuring a mix of GPs, LPs and expert service providers will highlight the most meaningful and relevant datapoints that support ESG management.

05/ VALUE CREATION CASE STUDIES

Case study session highlighting how ESG has contributed to a value creation story at a portfolio company. Three presentations from GPs will be followed by an audience vote to decide the most impressive investment story.

Senior Managing Director and Global Head
BlackRock Alternative Investors

**Outlining why the world's largest asset manager
is committed to ESG and why you should be too.**

Over the last decade we have seen growing recognition among investors that a company's management of ESG matters can be a key indicator of its ability to deliver long term sustainable growth and investor returns.

I'm delighted to have this opportunity to contribute to the conversation around how ESG can help create long-term value for private equity investors.
