# KEYNOTE SPEAKERS

Anthony Scaramucci

Founder and  
Co-Managing Partner  
**SkyBridge Capital**

Founder of SkyBridge Capital, Scaramucci has partnered with EJJ Capital to launch a multi-billion-dollar Opportunity Zone Fund that was created in response to demand from investors, who see the OZ program as a chance to potentially generate attractive returns while having a positive societal impact. Scaramucci will share insights to the challenges and benefits of diving into this new sector of real estate.

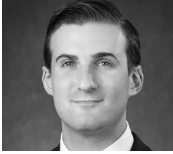

Jonathan Rose

Founder and President  
**Jonathan Rose Companies**

A leader in the creation of more socially, environmentally, and economically resilient communities, Rose will show how the progression of the 21st century will escalate global mega-trends such as climate change; natural resource depletion; population growth; income inequality; mass migration; education, and health disparities to the detriment of not only metropolitan areas, but the overall real estate industry.
