Responsible Investment Forum: Europe London 2020

11-12 November

Proving the Value of ESG in Private Equity

Sponsorship opportunities 2020

Welcome

Inside this brochure you will find detailed information on the sponsorship opportunities available at the PEI Responsible Investment Forum: Europe.

Run in association with the UN PRI and tapping into their member base, knowledge and credibility the Forum is now in its 11th year. Over that time ESG has moved from a box ticking exercise championed by internal evangelists and has transformed into one of the top concerns of the investor community to become an area of competitive differentiation and value creation for managers.

For a Manager, sponsoring the Forum offers both a chance to demonstrate to the community the priority you place on ESG and advertise as a market leader, as well as connect and network with Institutional Investors who allocate on this factor. For firms offering services or advisory to the Investor/ Manager community, this is a chance to meet and build your profile with senior level attendees from companies who by attending, are self-identified as being interested and proactive in improving their ESG practices.

Every package is unique to the sponsor and will be designed with your objectives in mind. We tailor all our offerings to ensure you get the most value from working with us. We offer speaking, exhibiting, branding and networking packages, depending on how you want to engage with the market.

More detailed information is available upon request, please don't hesitate to contact me directly.
