## Premium networking experience

Join structured networking sessions and arrange your own private video meetings to connect with 100+ institutional investors and 80+ fund managers.

## Insights from your peers

Learn how others are approaching different sub-asset classes post-covid. Don't miss our sessions covering co-living, co-working, offices, hospitality, retail and residential properties.

# Why should you attend?

## 5 months access to the community

The platform will be open 2 weeks before and will remain open 5 months after the event. Allowing you to arrange meetings ahead of the event and continue conversations following the event.

## Tailor your virtual experience

Join the sessions most relevant for you as our agenda splits into streamed discussions.

# Agenda highlights

Hear direct from the biggest investors on how they view private real estate in their portfolio for 2021 and beyond.

Discover where leading managers are seeing opportunistic investments emerge in the current downturn and how are they approaching asset management.

Learn which of the latest technological trends are helping to add value to real estate assets.

Take part in the discussion on co-living, co-working, offices, hospitality, retail, residential – how are new concepts and established sub-asset classes are weathering the storm.

Where do opportunities lie in Europe's 'second-tier' cities? Find investments beyond the first-tier cities of London, Paris, Amsterdam, Frankfurt and co.
