Welcome

Inside this brochure you will find detailed information on the sponsorship opportunities offered at the Women in Alternatives Summit.

The Summit is made up of four Forums covering Private Equity, Infrastructure, Real Estate and Private Debt run with the support and backing of our industry leading brands. The event offers a mixture of industry and diversity content across the two days, blending asset class specific streams with cross industry sessions and a shared exhibition and networking space.

Sponsoring the event offers a dual opportunity for promotion. Firstly, the attendance of senior level attendees and Institutional Investors at the Summit offers BD and IR opportunities. Secondly, the four separate marketing campaigns for each Forum, offers targeted branding and promotional opportunities to each specific asset class. In addition, the overarching theme of diversity allows your firm to gain positive PR exposure and position yourself as a market leader on this important social topic.

Every package is unique to the sponsor and has been designed with your objectives in mind. We tailor all our offerings to ensure you get most value from working with us.

More detailed information is available upon request, please don't hesitate to contact me directly.

Best Regards.
