Women in Private Equity Forum

London 2019

Creating growth through diversity

5-6 November | Hilton Tower Bridge

www.privateequityinternational.com/womenforum

#WomenInPE

"I enjoyed last year's forum and was amazed how much the event has grown since I last attended in 2016. I'm pleased to see the addition of the real estate and private debt forums providing a unique opportunity for cross-asset class networking."

Sunaina Sinha
Managing Partner
Cebile Capital

Connect

with well known industry names as well as newcomers to the industry. The Women in Private Equity Forum will offer a unique platform to grow your contact base and network with over 500 senior men and women within private equity as well as infrastructure, real estate and private debt.

Share

ideas on addressing diversity within alternative assets through interactive think-tanks, workshops, mentoring sessions and a sit-down working lunch. Benefit from being a part of this close community, make the right contacts and gain insight to elevate your career to the next stage.

Learn

from the biggest players in the sector so you can discover the latest insights and knowledge to stay ahead of the curve. Learn from their successes, as well as their mistakes and take your expertise back to the office.
