Connect
with **leading**
infrastructure
stakeholders
anytime,
anywhere

*A very well-run event –
most relevant to connect
with Asian infrastructure
investors. The Infrastructure
Investor team are doing a
great job to foster the asset
class in Asia.*

airports and transportation -
implications for investors**

FEATURED PANEL

Understanding APAC LPs – portfolio allocations & investment strategy

- » How have APAC LPs been revaluating their portfolios?
- » Where are they increasing/decreasing their allocations? In which areas have they been hit?
- » How have LPs been dealing with travel constraints and challenges of executing due diligence?

“

Excellent opportunity to hear about current developments in the industry and make new connections.

Join the Virtual Experience

LEARN MORE →

Meet the right people

Through enhanced search capabilities, you can see who is attending and filter through the attendee list by seeing only those with similar investment strategies, allocations, regions and more.

Chat and arrange 1-to-1 video meetings

Book unlimited 1-on-1 video meetings with regional and global LPs, speakers, and global attendees in virtual meeting rooms. Create a want to meet list to make sure you don't miss networking with any potential business partners.

Lead the global conversation

Through interactive roundtable sessions, you can knowledge-share with the global infrastructure investment community. Interactive roundtables are the virtual equivalent of a breakout or roundtable at a traditional conference, you will be face-to-face with likeminded peers to push forward the asset class.

Ask your questions to the titans of industry

Following panels during the conference week, speakers will be available for live Q&A to answer your questions. Engage in live polling and receive automated reminders so you will not miss your favourite sessions.

Content on-demand when you need it

All content will be streamed live and available on-demand through the platform. Watch live or watch when it suits you from the comfort of your home (office). Private messaging and discussions are also available. You can access the platform until the end of February, 2021.
