Why Asia Summit **virtual experience**?

Limitless cross-border interactions

Connect with top infrastructure investors through unlimited private meetings with LPs, headline speakers and many more.

Exclusive insights and data analysis

Infrastructure leaders from across the globe will keep you at the forefront of the markets and opportunities available in the region.

Maximise your time, maximise your returns

By joining our scaled-up virtual conference, you will receive unlimited networking opportunities and unrivalled insights wherever you are.

All content available when you need it

Tune in live as it happens or on-demand when you need it so you don't miss a second of the content.

Join the new era of networking

Meet the right people

Through enhanced search capabilities, you can see who is attending and filter through the attendee list by seeing only those with similar investment strategies, allocations, regions and more.

Chat and arrange 1-to-1 video meetings

Book unlimited 1-on-1 video meetings with regional and global LPs, speakers, and global attendees in virtual meeting rooms. Create a want to meet list to make sure you don't miss networking with any potential business partners.

Lead the global conversation

Through "birds of a feather" sessions, you can knowledge-share with the global infrastructure investment community. "Birds of a feather" is the virtual equivalent of a breakout or roundtable at a traditional conference, you will be face-to-face with likeminded peers to push forward the asset class.

Ask your questions to the titans of industry

Following panels during the conference week, speakers will be available for live Q&A to answer your questions. Engage in live polling and receive automated reminders so you will not miss your favourite sessions.

Content on-demand when you need it

All content will be streamed live and available on-demand through the platform. Watch live or watch when it suits you from the comfort of your home (office). Private messaging and discussions are also available. You can access the platform until the end of 2020.
