## Connect with the most influential decision-makers

The Summit is the preeminent meeting place to discuss Asian infrastructure and outbound investment from the region's LPs.

## LP insight at every opportunity

From exclusive keynote interviews, panel sessions, networking and more, the Summit hosts more LPs allocating to global and regional infrastructure funds than any other event.

## Secure your next capital allocation for global and Asian infrastructure

With the sector booming and allocations from institutional investors skyrocketing, place your business at a distinct advantage over your competitors by attending.

## Meet like-minded peers

Tailor your three-day agenda to include analysis of the crucial trends affecting the asset class, including energy transition, debt strategies, fund structures, ESG, PPAs, PPPs and more.

## Begin networking six weeks prior to event day

Get a head-start on networking by downloading the new and improved conference app. You can view the full attendee list, organise a 1-2-1 meeting in our meeting spaces, and use the direct chat function.

# Achieve 3 months' network building in 3 days

Drive your investment and fundraising strategy by attending the entire Hong Kong Summit

## Renewable Energy Forum

12 November

Drive your energy transition investment strategy at this second annual forum dedicated to the "biggest investment opportunity of the century".

## Asia Forum

13-14 November

Established as the premier infrastructure investment conference in the region, you must be in attendance if you are interested in Asian infrastructure or LP capital.

## Infrastructure Debt Forum

14 November

Discover why LPs in the region are increasingly allocating their capital to infrastructure debt strategies and demonstrate your advantage over the competition to secure your share.

Don't miss the savings currently available.  
Search  "Infrastructure Hong Kong Summit" to secure your place.

Excellent opportunity to hear about current developments in the industry and make new connections.
