# Keynote panels

## Get down in the weeds with operational management teams: Reimagining business processes in a crisis

As many businesses operate in survival mode, what is the opportunity to go back to fundamentals in portfolio management to create lean, intelligent businesses that can weather the storm. Hear from a range of executives on how they are future proofing their businesses and the role that digital and automation is playing in creating efficiencies in procurement, supply chain, cash collection, forecasting and risk management.

# Keynote panels

## Learn from PE's biggest names: How private equity giants are tackling the covid challenge

How PE operating groups are taking on the unique challenges presented by the 2020 pandemic. What are their key crisis-response strategies? How are they helping and working with their portfolio companies and what long-term effects do they predict they will be working through.

# Roundtable sessions

## SESSION 1

### Portco operational strategy room

Designed for Operating Partners and Portfolio Managers to tackle the biggest challenges you face today: global recession, severe liquidity impact, vendor management, and effects of covid-19 on workforce and customers.

---

## SESSION 2

### C-suite strategy room

A space for CFOs, COOs and CEOs to exchange crisis-response strategies. Crisis management is a big theme in 2020, what should the PortCo CEO expect in 2021? How are other CEOs navigating the storm? Is growth on hold, how to make up for lost time?

---

## SESSION 3

### Tech & data lounge

Leveraging technology and automation to drive transformative value creation and operational efficiencies at the PortCo level. How technology and digital solutions can help firms navigate through the crisis.

---

## SESSION 4

### The family run business

A high percentage of investments in Asia are into family run enterprises. What are the nuances that PE firms need be aware of and how to manage the transition smoothly?

**SESSION 5**  
**Supply chain management**

How will the global supply chains of your portfolio companies change? What are the business implications? Supply chain cost optimization: individual company vs. cross-portfolio programs.

---

**SESSION 6**  
**Demand and pricing**

Tackling demand volatility and building recession-proof pricing strategies.

---

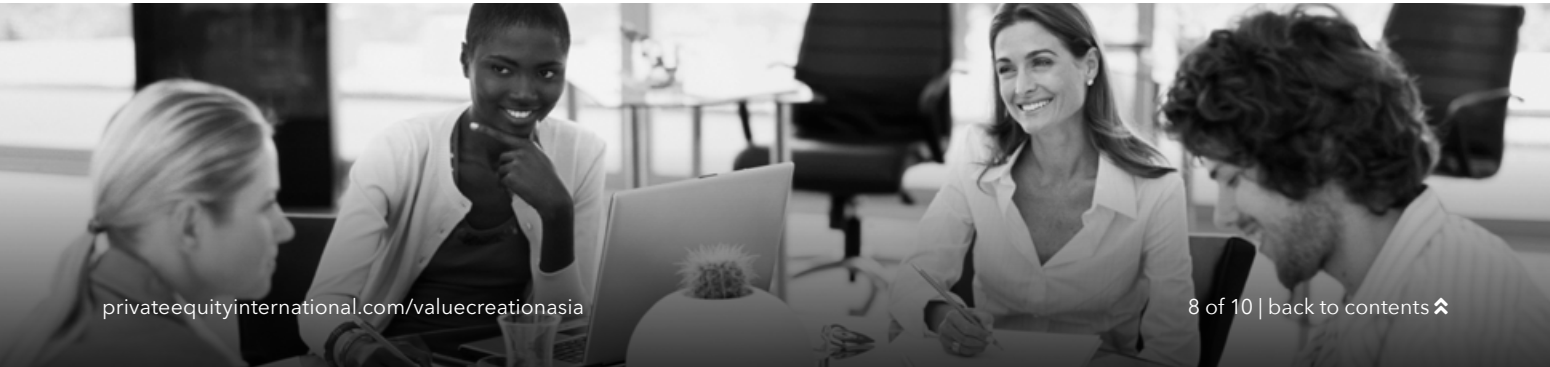

**SESSION 7**  
**Human capital management**

Human Capital management during the current crisis. How to best tackle diversity at the portco level. How to optimize portco executive team capability to speed-up post-COVID recovery. Transitioning to a virtual workforce - is it sustainable long-term?

---

**SESSION 8**  
**100 day planning**

Best practice strategies in the current climate.
