

Value Creation Forum: Asia

Virtual Experience 2020

Operating Partners & Value Creation Forum: Asia

30 November-4 December 2020 | Virtual event UTC+8

Reimagining portfolios and the unique challenge of driving growth amid a pandemic.

As Covid-19 continues to take its toll businesses across Asia, the Value Creation Forum takes an in-depth look at not only survival strategies in a crisis but how to accelerate out of that curve and drive value in 2021.

Private Equity International brings together Asia's leading experts on portfolio management and operational excellence to guide private equity firms through the pandemic.

Building on almost 20 years of award-winning reporting and events for the private markets, PEI's conferences are consistently ahead of the curve. This year, we bring you the Value Creation Forum in a totally digital format. We've created a fully immersive virtual experience so you can join the Forum from wherever you are to explore how Asian private equity is weathering the storm.

Join portfolio management teams and functional experts as we go back to basics and help you accelerate out of the 2020 curve with a stronger, leaner portfolio than ever before.
