Agenda

12:00pm **Networking lunch**

1:30pm **Chairwoman's welcome**

Susan H. Mac Cormac, Partner, Morrison & Foerster

1:35pm **Opening keynote address**

Matina Papathanasiou, Deputy Head of Global Infrastructure, QIC

2:15pm **Infrastructure & gender diversity: closing the gap**

- Private capital's role as a key catalyst for change in gender diversity
- Perceived and real barriers to entry for women in infrastructure and private equity overall
- The relationship between diversity and performance - why do more diverse companies perform better?
- Ways to exert constructive and assertive influence

3:05pm **Why invest in infrastructure? Why invest in women?**

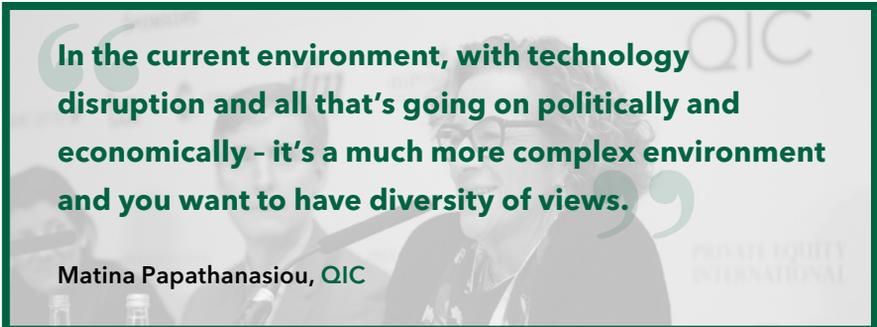

- How does infrastructure compare to other asset classes?
- How does gender diversity within infrastructure compare to other asset classes?
- The evolution of the infrastructure manager and investor relationship
- How can fund managers meet LP expectations as it relates to diversity?
- The evolution of investment models to match shifting investor risk appetites
- Do management strategies meet LP expectations in today's climate?

3:55pm **Networking break**

4:15pm **Closing keynote address**

5:00pm **Chairwoman's closing remarks**

5:05pm **Cocktail reception**

In the current environment, with technology disruption and all that's going on politically and economically - it's a much more complex environment and you want to have diversity of views.

The quote is displayed in a dark green box with a white background. The background of the box shows a blurred image of a woman speaking at a microphone. The QIC logo is visible in the top right corner of the box, and the text 'PRIVATE EQUITY INTERNATIONAL' is visible in the bottom right corner.

Matina Papathanasiou, QIC

Co-located event

This December 4-5, the **Infrastructure Investor New York Summit** will gather 200+ investors, fund managers, and policy makers to debate the trends shaping infra investment in North America. The two-day event will feature panel discussions, breakout sessions, and think tanks for attendees to learn best practices directly from the leaders driving change in the infrastructure investing space.
