Infrastructure Investor New York Summit

EXCLUSIVE KEYNOTE INTERVIEWS

Headlining the 12th annual Forum will be **David Fass**, Head of Americas, Senior Managing Director at **MIRA** and **DJ Gribbon**, Founder of **Madrus LLC** and Former Special Assistant to the **President of the United States for Infrastructure**.

DEDICATED LP & GP ROUNDTABLES

Hear both investor and fund manager perspectives in two separate LP & GP roundtable discussions.

SPOTLIGHT DISCUSSION ON DIVERSITY & INCLUSION

Panelists will tackle how fund managers will be affected in the project bid process that requires investment from diverse firms.

ESG: RESPONSIBLE INFRASTRUCTURE INVESTING

Topics include: material risk, refocus on governance as an issue, maintaining social license, communities & private infrastructure and much more.

Women in Infrastructure New York Forum

OPENING KEYNOTE

Angela Miller-May, CIO of the **Chicago Teachers' Pension Fund** will kick off the 2nd annual Forum to deliver an inspiring keynote and insights into the pension fund's push for diversity.

VISIONS, INSIGHTS AND PERSPECTIVES

Take a deep dive into value creation and fundraising, LP/GP alignment, and emerging opportunities across the infrastructure secondaries market. How do investors think about risk? How can we increase gender diversity in the space - building a pipeline for female infrastructure professionals?

ENERGY & RENEWABLES

Debate the current obstacles to growth in core renewables and learn about women in energy and infrastructure. How have the roles evolved and how can we continue to further gender diversity?
