Where is the asset class today compared to a decade ago and what are the most notable developments? We pick the brains of industry experts to see what the market thinks the next 10 years will bring.</p>
09:00 - 09:30	<p>Moderator:</p> <ul style="list-style-type: none"> Gregory Smith, President & CEO, InstagAGF Asset Management <p>Panellists:</p> <ul style="list-style-type: none"> Wim Blaasse, Managing Partner, DIF Capital Partners Lennart Blecher, Deputy Managing Partner and Head of Real Assets, EQT Gwenola Chambon, Chief Executive Officer, Vauban Infrastructure Partners Leigh Harrison, Head of EMEA, Senior Managing Director, Macquarie Infrastructure and Real Assets (MIRA) Declan O'Brien, Director, UBS Asset Management Harry Seekings, Co-Head of Infrastructure, InfraRed
09:30 - 10:00	<p>09:30 - 10:10 Panel session: Bringing ESG and sustainability issues into the mainstream</p> <ul style="list-style-type: none"> Making sustainability a development driver as well as a compliance objective How results are validating ESG being put at the heart of infrastructure businesses Moving sustainability from a reporting function to top of the CEO's inbox What can investors do to prioritise action on ESG issues?
10:00 - 10:30	<p>Moderator:</p> <ul style="list-style-type: none"> Rick Walters, Infrastructure, Director, GRESB <p>Panellists:</p> <ul style="list-style-type: none"> Charles Dupont, Head of Infrastructure Europe, Schroders Graham Matthews, Chief Executive Officer, Whitehelm Capital Rosheen McGuckian, Chief Executive Officer, NTR Oliver Schubert, Senior Partner, Vantage Infrastructure Angel Tejada, Head of Green and Sustainable Bonds, BBVA

10:30 - 11:00

10:10 - 10:50 Opening Keynote: Planning infrastructure for the future

Every society needs to think big and plan physical infrastructure for the future. But few governments and political leaders do this in practice.

Former BP Chief Executive John Browne calls for greater imagination in planning and design and explains how this can deliver infrastructure of greater boldness and better quality.

Speaker: Lord John Browne, Executive Chairman, L1 Energy

Followed by Q&A

10:50 - 11:20 Morning refreshment and networking break

11:00 - 11:30

11:20 - 11:45 Fireside chat

Examining the role of regulators and the evolution of relationships with industry

- Introduction to UK regulatory system and UKRN
- Balancing investor and consumer interests in infrastructure investment
- Regulatory roles and the importance of legitimacy to the regulatory system
- Future challenges: infrastructure investment in context of decarbonisation

-
- Bruno Candès, Partner, InfraVia Capital Partners
 - Jonathan Oxley, CEO, Ofcom & Chair, UK Regulators' Network

11:30 - 12:00

11:45 - 12:25 What does the rise of sector-specific and regional-focused funds mean for infrastructure investors?

- Understanding the matrix of geography and sectors
- Comparing generalist sector-focused funds with more specialist regional vehicles
- Which sub-sectors have developed the most and in which geographies?
- Lessons learned from specialist approaches in PE and other asset classes

12:00 - 12:30

Moderator:

- Toby Parkinson, Partner, Clifford Chance

Panellists:

- Ralph Berg, Global Head of Infrastructure, OMERS Infrastructure Europe
- John Breckenridge, Senior Managing Director & Head of Energy Infrastructure, Capital Dynamics
- David Giodano, Global Head of Renewable Power, Blackrock
- Peter Taylor, Co-Head of Carlyle Global Infrastructure Opportunity Fund, The Carlyle Group
- Mikael Karlsson, Partner, Actis

12:25 - 13:05 Keynote: Stop hurting women: How the data ignores women and creates poor urban infrastructure plans

12:30 - 13:00

Caroline Criado Perez, OBE, Author of *Invisible Women: Exposing Data Bias in a World Designed for Men*
Followed by Q&A and book signing of copies of 'Invisible Women'

13:00 - 14:00

13:05 - 14:05 Networking lunch

14:00 - 14:30

14:05 - 14:20 Presentation: Market update from Infrastructure Investor

Our reports analyse the current state of the infrastructure market and detail the significant trends affecting the asset class in each quarter. We review a record 2019 for fundraising and provide an early look at Q1 trends for 2020.

-
- Nicole Douglas, Head of Investor Research, Infrastructure Investor

14:20 - 15:00 Panel: The state of play: Infrastructure in 2020

A panel of managers and institutional and private investors analyse the state of the infrastructure market as we enter a new decade

14:30 - 15:00

Moderator:

- Nigel Hatfield, Partner, Clifford Chance

Panellists:

- Jean-Francois Dusch, Chief Executive Officer, Edmond de Rothschild
- Andrew Jones, Global Head of Infrastructure Debt, AMP Capital
- Ravi Parekh, Managing Director, Infrastructure Investments, GCM Grosvenor
- Geoffrey Strong, Senior Partner, Co-Lead Infrastructure and Natural Resources, Apollo
- Robert Wall, Partner, Hermes GPE

15:00 - 15:30

15:00 - 15:40 Stream A: Investment strategies and management
Portfolio construction, super core and traditional infrastructure

- Getting the portfolio mix right
- What's the optimal way to allocate to super core in a balanced portfolio?
- Where do core plus and value-add strategies fit in?

15:30 - 16:00

15:00 - 15:40 Stream B: Midmarket infrastructure -
Is there still value in a rapidly growing segment?

- Assessing how new vehicles and spinoffs are moving into the space
- Finding value by geography, cap size and strategy
- Is the midmarket large enough for funds to deploy at the scale they claim?

Moderator

- Ross Posner, Managing Partner, Ridgewood Infrastructure

15:00 - 15:40 Stream C: Specialist and sector-based infrastructure
Energy investments in the 2020s

- Where are the best opportunities in renewables to be found?
- Development risk and opportunities
- The role of non-renewables and the energy transition

Moderator: Lawrence Slade, Chief Executive Officer, Global Infrastructure Investor Association

Moderator: Patrick Deasy, Partner, Private Investment Funds, Goodwin
 Workshop leaders:

- Evan Corley, Partner, Pantheon
- Dr Harald Haas, Senior Investment Manager, Illiquid Assets Debt Infrastructure, MEAG
- Manish Pandey, Partner & Co-Head Infrastructure, Access Capital Partners
- Jason Zibarras, Founding Partner, Argo Infrastructure Partners

Workshop leaders:

- Chris Beall, Managing Partner and Co-Founder, Nova Infrastructure
- Guillaume D'Engremont, Head of European Infrastructure, ICG
- Emil Henry, CEO & Managing Partner, Tiger Infrastructure
- Dr Andreas Köttering, Partner, CBRE Caledon
- Jamie Storrow, Managing Director, Co-Head of Infrastructure, Northleaf Capital Partners

Workshop leaders:

- Philip Ajina, Partner, Infranode
- Michael Pollan, Partner- Infrastructure, Omnes Capital
- Konstantin von Falkenhausen, Partner, B Capital Partners
- Frédéric Palanque, Managing Partner, Conquest
- Iñigo Olaguibel, CEO, Qualitas Energy

16:00 - 16:30

15:45 - 16:25 Stream A: Co-operative investing - the next trend in core infrastructure?

- How investors are working to identify investment strategies of common interest
- Finding the best value-for-money manager to implement them
- Better aligning supply (variety of funds and their terms) with investor demand

15:45 - 16:25 Stream B: Listed infrastructure - is it the best option for core, core+ and other investors?

- The role of listed as a complementary/alternative opportunity in an infrastructure portfolio
- Achieving portfolio balance through the right mix of assets
- Examining sectors where listed assets can offer superior value to unlisted

15:45 - 16:25 Stream C: Communications and digital infrastructure

Moderator: Jordan Stutts, Senior Reporter, Infrastructure Investor

Workshop leaders:

- Darren Blatt, Partner & Co-Head of Infrastructure Investing, Searchlight Capital Partners
- Matthias Fackler, Partner, EQT
- Ed Pallesen, Managing Director, H.I.G Capital
- Simon Wilde, Senior Financial Advisor, Ofcom

Moderator: Eugene Zhuchenko, Managing Director, ETORE Advisory

Panellists

- Oskar Backman, Investment Manager, Polhem Infrastructure
- Isela Bahena, Managing Director, Nuveen Asset Management
- Jason Cogley, Managing Director, Fiera Infrastructure
- Christophe Manser, Head of Infrastructure Investments, Swiss Life Asset Management
- Michael Ryan, CEO, Partner - Dalmore Capital

Moderator: Fraser Hughes, Chief Executive Officer, Global Listed Infrastructure Organisation (GLIO)

Workshop leaders:

- David Bentley, Partner, Atlas Infrastructure
- Matt Bushby, Global Head of Distribution, RARE Infrastructure
- Peter Hobbs, Managing Director, Private Markets, bfinance
- Chris Holmes, Partner, Foresight Group

16:25 - 16:55 Coffee & networking

16:30 - 17:00

17:00 - 17:30

16:55 - 17:35 Asia: The next great infrastructure market? Or too few fund products and investable opportunities?

- India - with funds now starting to invest, is this the time to get involved?
- China - has the move towards PPPs benefitted international investors?
- Will more big players start to make waves in Asia?
- Examining opportunities in Asian renewables

Moderator: Boe Pahari, Managing Partner, Global Head of Infrastructure Equity, AMP Capital
Workshop leaders:

- Wymen Chan, Managing Director, Asia Investment Team, SUSI Partners
- Charles Regan, Head of APAC Infrastructure Real Assets Private Debt, Ostrum Asset Management
- Dong-Ik Lee, Director General, Investment Operations, Asian Infrastructure Investment Bank
- Dennis Prouteau, Chief Investment Officer, Private Debt Real Assets, Ostrum Asset Management

17:30 - 18:00

17:35-18:00 Keynote Interview

Achieving net zero: the case for new nuclear and RAB financing

- The importance of decarbonising the electricity grid
- How the regulated asset base model can bring down the cost of financing new nuclear
- Taking the lead on climate smart investments for the future
- Opportunities for investors in infrastructure

Julia Pyke, Director of Financing & Economic Regulation for Sizewell C, EDF Energy

18:00

18:00 - 18:05 Closing comments from the chair

18:05 - 19:30 Global Investor Forum Emerald Gala Drinks Reception

Wednesday, 24 June 2020

Global Investor Forum: Day Two	
08:00 - 08:30	08:00 - 08:55 Coffee & networking
08:30 - 09:00	08:55 - 09:00 Chair's welcome back and summary of Day 1 Peter Hobbs, Managing Director, Private Markets, bfinance
09:00 - 09:30	09:00 - 09:40 Surviving rough seas: Infrastructure in a downturn <ul style="list-style-type: none"> • Will infrastructure assets behave how they're expected to in a recession? • How today's structures differ from the past • Challenging the resiliency and discipline of managers • Fulfilling return expectations in trickier times
09:30 - 10:00	<p>Moderator:</p> <ul style="list-style-type: none"> • Tim Buchner, Chief Operating Officer, Mercatus <p>Panellists:</p> <ul style="list-style-type: none"> • Serkan Bahçeci, Partner, Arjun Infrastructure Partners • Todd Bright, Head Private Infrastructure Americas, Partners Group • Renaud de Matharel, CEO & Managing Partner, Cube Infrastructure Managers • Recep Kendircioglu, Senior Managing Director - Infrastructure, Manulife • Thomas Lefebvre, Managing Director, I Squared Capital
10:00 - 10:30	<p>09:40 - 10:20 <i>Deal Mechanic</i>: Operational value creation in a secondary buyout: Antin & Lyntia</p> <ul style="list-style-type: none"> • Carving out a PE-owned business with presence in multiple locations • Recruiting new managers to complement the existing management team • Developing and executing a plan to refocus the business • How do value creation levers differ across asset classes? <p>Moderator:</p> <ul style="list-style-type: none"> • Mauricio Bolaña, Partner, Antin Infrastructure Partners

Wednesday
23rd

Global Investor Forum

- Eduardo Taulet, Executive Chairman, Lyntia
Interviewed by Zak Bentley, *Infrastructure Investor*

10:20 - 10:40 How infrastructure can save you from the negative interest rate death trap

- How is unlisted infrastructure equity correlated with other asset classes? 20 years of evidence examined
- Is infrastructure more like bonds or equity?
- What is unique about Infrastructure that can save investors from prolonged low interest rates?

-
- Frederic Blanc-Brude, Director, EDHECinfra & CEO, Scientific Infra

10:40 - 11:20 Coffee & networking break

11:00 - 11:30

11:20 - 12:00 Big Data and Infrastructure

- How and to what extent can investors make use of the data created by their assets?
- Working out what to collect and what's valuable
- The growing impact of data in improving asset management
- Would sharing open source data help with industry risk management and improve goodwill towards the asset class?

Moderator

- Bruno Alves, Senior Editor, *Infrastructure Investor*

Panellists

- Matteo Botto Paola, Managing Director, Infrastructure Investment Group, Goldman Sachs Asset Management
- Marc Ganzi, Chief Executive Officer, Digital Colony
- Ross Israel, Head of Global Infrastructure, QIC
- Ravi Parekh, Managing Director, Infrastructure Investments, GCM Grosvenor
- Garret Tynan, Senior Director, Project Finance & Infrastructure, KBRA
- Kevin Smithen, Partner, Digital Colony

12:00 - 12:30

12:00 - 12:40 Changing investor sentiment towards direct and co-investments in infrastructure

- Getting the internal setup right to go direct
- Are direct strategies better suited to private rather than public plans?
- How co-investments can provide investors transparency without the underlying risk

Wednesday
23rd

Global Investor Forum

- Achieving the right balance of fund, direct and co-investments?

12:30 - 13:00

Moderator

- Mark Weisdorf, Managing Partner, Mark Weisdorf Associates

Speakers

- Jerry Divoky, Vice President, Infrastructure & Renewable Resources, BCI
- Yves Meyer-Bülow, Managing Director, Allianz Capital Partners
- Patrick Samson, Head of Infrastructure, PSP Investments
- Howard Stern, Managing Director, Northwestern Mutual Capital
- Dominik von Scheven, Senior Investment Manager, Private Equity Investments, HSBC Global Asset Management

12:40 - 13:30 Keynote Presentation

What the New Zealand rugby team can teach us about the business of life

James Kerr, Founding Partner, Fable Partners & Author of *Legacy: 15 Lessons in Leadership*

13:00 - 13:30

Followed by Q&A and book signing of copies of 'Legacy'

13:30 - 14:30

13:30 - 14:40 Networking lunch

14:30 - 15:00

14:40 - 15:20 Highlights of the Infrastructure Investor Insight findings

The Infrastructure Investor Research & Analytics team surveyed investors in the asset class to capture investor sentiment, relationships with funds, and performance predictions. Investors range from established infrastructure players with diverse fund portfolios, to those planning to make their first infrastructure fund commitments in 2020.

Following a brief presentation of the survey's findings, the panellists will share and discuss their observations and predictions for infrastructure investments.

15:00 - 15:30

Moderator

- Nicole Douglas, Head of Investor Research, Infrastructure Investor

Panellists

- Ryan Bisch, Head of Private Markets, Ontario Power Generation
- Neil King, Managing Director - Infrastructure Real Assets, CPPIB
- Heiko Schupp, Global Head of Infrastructure Investments, Columbia Threadneedle

Wednesday
23rd

Global Investor Forum

- Kevin Warn-Schindel, Managing Director & Global Head Real Assets, Harbourvest Partners

15:20 - 16:00 The evolving definition of infrastructure as the asset class matures

- Exploring the limits of the 'infrastructure' designation
- How funds can evolve their offering to better meet investor portfolio needs
- Do definitions or returns matter more to investors in 2020?
- Are funds chasing double digit returns still acting in the best interests of their clients?

15:30 - 16:10

Moderator: Lawrence Slade, Chief Executive Officer, Global Infrastructure Investor Association

- Frank Segger, Portfolio Manager, KGAL
- Andrew Claerhout, Partner, Searchlight Capital Partners
- Hamish MacKenzie, Managing Director & Head of Infrastructure, DWS
- Jim Metcalfe, Co-Managing Partner & Head of Global Investments, Alinda Capital Partners
- Armin Rothausser, Head of Non-Real Estate Debt Lending, Starwood Capital
- Daniel von Preyss, Head of Private Equity Infrastructure (Europe), Impax Asset Management

16:10 - 17:00

16:10 - 17:00 Networking Roundtables

Themed roundtables led by subject-matter experts on thorny topics affecting the future of the asset class. Topics include:

- How the rise of institutional investors is changing infrastructure board governance- Mar Beltran, Non-executive director, MAICD
- Big data
- Cyber security
- Resilience
- Climate change- Tim Whittaker, EDHEC
- Valuations- Abhishek Gupta, EDHEC
- Defining the infrastructure of the next decade
- Open-ended/evergreen fund structures

17:00 - 17:30

17:00 - 17:10 Chair's summary and close of Global Investor Forum 2020

Thursday, 25 June 2020

08:30 - 09:00			8:00am Invite-only infrastructure debt investor breakfast
	08:45 - 08:55 Introduction from Infrastructure Investor	08:45 - 08:55 Welcome from Infrastructure Investor	08:45 - 8:55 Welcome from Infrastructure Investor
	08:55 - 09:05 Welcome from chair Patricia Rodrigues Jenner, Investor & Advisor in Real Assets, Independent	08:55 - 9:05 Chairperson's welcome address Darragh Stokes, Managing Partner, Hardiman Technologies	08:55 - 09:05 Chairperson's welcome address Hans-Peter Dohr, Senior Managing Partner, Institutional Capital Associates (ICA)
09:00 - 09:30	<p>09:05 - 10:00 The Maturing of the Energy Transition: Opportunities in a merchant-power world</p> <ul style="list-style-type: none"> • An assessment of global risk/return profiles: How much risk is too much? • Are return expectations in recently raised funds realistic? • Specialisation into new technologies & geographies • Where do investors expect opportunities in the next 5 years? <hr/> <ul style="list-style-type: none"> • Michael Bonte-Friedheim, Founding Partner & Group CEO, NextEnergy Capital • Marco Van Daele, Chief Investment Officer, SUSI Partners • Michael Ebner, Head of Infrastructure, KGAL • Lucy Heintz, Partner - Energy, Actis • David Swindin, Managing Director - Head of EMEA, Cubico Sustainable Investments 	<p>09:05 - 09:50 Panel: Converging sub-asset classes - examining the synergies between data centres, towers & fibre</p> <ul style="list-style-type: none"> • What are the market developments that are blurring the lines between these three assets? • How is 5G in particular bringing the three closer together? • Cost or revenue basis - are there true strategic synergies between these or is this simply a financial play? Do customers genuinely overlap? • What impact should this convergence have on an investor's approach to digital infrastructure? <hr/> <p>Moderator: Alessandro Ravagnolo, Principal - Consulting, Analysys Mason</p> <ul style="list-style-type: none"> • Dr. Dmitriy Antropov, Co-Head Private Infrastructure Integrated Investments, Partners Group • Dr. Bernd Kreuter, Managing Partner, Palladio Partners • Steven Marshall, Chairman, Communications, Cordiant Capital • Steven Sonnenstein, Managing Director, Digital Colony • Chris Hogg, Investment Director, Amber Infrastructure 	<p>09:05 - 09:40 Panel: Shaping the future - the changing definition of infrastructure and opportunities it will bring in debt investment</p> <ul style="list-style-type: none"> • What might be considered as infrastructure assets in the near future? And will debt investors be provided with opportunities as the definition broadens? • What can investors do to get ahead of the curve to anticipate coming infrastructure debt opportunities in the future? • To what extent will digital infrastructure assets be relevant for infrastructure debt funds in coming years? • How much will energy transition continue to impact infrastructure debt markets? <hr/> <p>Moderator: Dominik Thumfart, Global Co-Head of TIE Origination, Deutsche Bank</p> <ul style="list-style-type: none"> • Tim Cable, Senior Partner, Vantage Infrastructure • Andrew Jones, Global Head of Infrastructure Debt, AMP Capital • Agnes Mazurek, Global Head of Infrastructure Debt, Santander Asset Management • Tom Murray, Managing Director, I Squared Capital

10:00 - 10:30

10:00 - 10:40 Investor viewpoint: Portfolio allocation and manager selection as funds move into increasingly diverse strategies post-FIT

- Where are the investor allocations to renewables coming from?
- Do investors expect to increase their allocations to renewables?
- Views on fund managers diversifying into new technologies and geographies
- To what extent should investors be comfortable with greenfield risk on renewable assets?

Moderator: Dan Wells, Partner, Foresight Group

- Anish Butani, Director, Private Markets - bfinance
- Verena Kempe, Co-Head of Private Equity, Feri Trust
- Jonathan Ord, Investment Director, GLIL Infrastructure LLP

09:50 - 10:30 Panel: Looking to the long-term in your investment approach when it comes to fibre

- As the fibre market develops at speed, what can savvy investors do to evaluate regulatory risk in the long term?
- Overbuild risk considerations at a time when Europe looks to embrace increasing fibre rollout
- Assessing long-term market penetration when it comes to fibre and why investors must take this into account
- Various models to evaluate across Europe & beyond - market-based models, concession models, wholesale models, PPP's and more

Moderator: Fran González Menéndez, Partner, Consulting, Analysys Mason

- David Zimmer, Geschäftsführer, inexio
- Oliver Bradley, Managing Director, Macquarie
- Waldemar Maurer, Principal, Private Equity, Deutsche Telekom Capital Partners
- Simon Söder, Partner, Antin Infrastructure Partners
- Steffen Leiwesmeier, Head of Financing Digital Infrastructure, Hamburg Commercial Bank

09:40 - 10:20 Panel: Navigating the current environment - low interest rates & the economy

- The impacts that a low interest rate environment is having on different stakeholders in the infrastructure debt market - investors, banks, sponsors & more
- How rising costs and falling interest rates have created a challenging environment for transacting deals. Are these conditions making the market increasingly borrower-friendly, and will this continue?
- Should relative value trump focus on immediate yield? And how can investors make their strategies future-proof whilst also resilient to the current environment?
- How will different types of investors alter their approach to infrastructure debt in anticipation of a potential forthcoming downturn?
- Compressing returns for senior & increased risk for junior - which debt strategies are most economy-proof?

Moderator

- Severin Hiller, Co-Head of Infrastructure Debt, Rivage Investment
- Panellists:
- Dimitar Lambrev, Senior Portfolio Manager - Infrastructure, UNIQA Capital Markets
 - Glenn Fox, Head of Infrastructure Debt Investments, HSBC Global Asset Management
 - Dominic Swan, CIO, Private Debt, HSBC Global Asset Management
 - Benn Mikula, Managing Partner & Co-CEO, Cordiant Capital

10:30 - 11:00

10:40 - 11:00 Implementing value creation to drive returns on renewable assets

- Selecting the appropriate business models to create efficiencies: Platforms vs. corporate models
- Creating new operational efficiencies from greenfield to brownfield
- How data management is creating realisable returns
- Case studies of successful value creation of renewable assets

11:30 - 11:50 Power price update: How can investors manage long-term merchant risk?

- The changing dynamics of power price risk in a decarbonised world
- What does the decoupling of electricity mean for power markets?
- Changes that investors need to be aware of in the long-term

Andy Kelly, Senior Principal, AFRY Management Consulting

10:30 - 11:00 Panel: Impacts of increasing 5G connectivity on the fibre investment market

- How will developments & rollout of 5G globally in the coming months or years impact investment in fibre? Where does Europe stand compared to other countries & regions?
- Competition, regulation & market cannibalization - what impacts might it have on the network environment?
- Is 5G set to be a friend or foe to fibre when it comes to front-end payment?
- Assessing the knock-on effects of 5G for towers & data centres

Moderator: Darragh Stokes, Managing Partner, Hardiman Technologies

- Tony Rossabi, Executive Vice President and Chief Revenue Officer, TierPoint
- Philippe Lefebvre, Head of Sector, 5G Deployment, European Commission

11:30 - 11:50 Case Study Presentation - Digital Infrastructure

This presentation will provide in-depth case study to a recently carried out digital infrastructure transaction - reserved for Grain Management

10:20 - 11:00 Panel: Risk vs reward - investor suitability to varying debt opportunities & finding relative value across the capital structure

- Assessing the capital structure in infrastructure debt - what investments are particularly appealing right now?
- How are investors going about evaluating their suitability for different opportunities in infrastructure debt?
- How can GP's aid them in this assessment and provide them with a suitable strategy?
- Can investors be confident of discipline when it comes to their GP's strategy? What measures can be put in place to give the investors reassurance?

Moderator: Tod Trabocco, Director, Strategy & Research, ITE Management

- Sebastian Schroff, Global Head of Private Debt, Allianz Investment Management SE
- Alexander Waller, Head of Infrastructure Debt, Whitehelm Capital
- Philippe Benaroya, Managing Partner, Generali Global Infrastructure
- Paul Nash, Partner and Head of Infrastructure Debt, DIF Capital Partners
- Eric Savi, Managing Director, Carlyle Infrastructure Credit

11:30 - 11:50 The role of infrastructure debt in institutional portfolios

- Abhishek Gupta, Senior Research Engineer and Investment Solution Specialist, EDHEC

11:50 - 12:30

11:50 - 12:30 The continued evolution of the PPA market in a post-subsidy world

- Are long-term PPA's outdated for the current environment? What are the reasons for more short term PPA's being seen?
- What are the specific risks involved? What would a significant drop-in energy prices mean for investors?
- Predictions for future growth of the PPA market

Moderator: Daniel Kemp, Superfunds Correspondent, Infrastructure Investor

- Rory O'Connor, Managing Director, Blackrock
- Lee Moscovitch, Partner and Portfolio Manager, Greencoat Capital
- Mary Quaney, Group Chief Financial Officer and Executive Director, Mainstream Renewable Power
- Constantin von Wasserschleben, Managing Director, IKAV

11:50 - 12:30 Panel: Smart Cities: transforming a metropolis through digital infrastructure

- Defining smart cities - what are they and how do they relate to digital infrastructure?
- The early adopters - how are Toronto, Barcelona & other examples leading the way and what can others learn from them?
- State of play - how is deal flow maturing when it comes to smart city funds & investment?
- Partnering effectively with all parties to implement your smart city vision

Moderator: Maarit Palovirta, Director of Regulatory Affairs, ETNO

- Matteo Andreoletti, Head of Infrastructure Equity, Whitehelm Capital
- Carlo Maddalenda, Senior Portfolio Manager Infrastructure, APG Asset Management
- Dominik Schiener, Co-Founder & Chairman, IOTA Foundation
- Rick Shrotri, Managing Partner, Digital Alpha

11:50 - 12:30 Establishing a sustainable investment model in your infrastructure debt strategies

- How can the industry improve the way ESG is measured & assessed with regards to infrastructure assets? Will the United Nation's SDG's aid this?
- Green bonds & financing - pricing and other investment challenges in this area
- Pre-deal due diligence & covenants - ensuring you have the legal tools before you invest to implement your ESG goals
- The impact of infra - examining the social, climate & other impacts that are particularly prevalent in today's society

Moderator: Frank Dornseifer, Managing Director, Bundesverband Alternative Investments

- Jane Bowes, Senior Vice President, Threadmark
- Jean-Francois Dusch, CEO EDAM UK, Edmond de Rothschild
- Alistair Perkins, Head of Infrastructure & Project Finance, NN Investment Partners
- Celine Tercier, Head of Infrastructure Finance, Ostrum Asset Management

12:30 - 13:00

12:30 - 13:00 Keynote presentation: Smart Cities 2.0: The Future of Urban Living
Dr. Ayesha Khanna, Co-Founder and CEO, ADDO AI

13:00 - 14:00

Networking lunch

14:00 - 14:30

Stream A - Renewables

14:00 - 14:20 The funding opportunity and challenges with development and

Stream B - New Technologies

14:00 - 14:20 EV Charging Outlook Presentation

14:00 - 14:35 Panel: Connectivity & network models of the future - what they'll mean for investors

- Small cell technology - driving network models & telco tower evolution as we head into the future?

14:00 - 14:35 Panel: How to increase your influence as a debt investor in infrastructure

- Pre-investment decisions & due diligence - ensuring you have the plan and provisions in place to successfully carry out your vision

construction of renewable assets

- Additional returns from development and construction stages
- What are key skills in teams to pursue development and construction successfully?
- Alternative investment structures to capture development stage / mitigate risks across
- Where are the key development pipelines to focus on?
- Examples from successful fund managers - developer partnerships and key lessons learnt

-
- Steen Lønberg Jørgensen, Partner, Copenhagen Infrastructure Partners

- Ryan Fisher, Associate Electric Vehicles, Bloomberg NEF

14:20 - 15:00 Why are infrastructure investors increasingly drawn to offshore wind

- How technological innovations are increasing profitability
- How storage can be used alongside wind

14:20 - 15:00 How and when should infrastructure funds invest in EV charging

- What characteristics make this sector so attractive - what are the different revenue streams?

- Considerations for low power wide area networks (LPWAN) - benefits they can bring in their application and for investors
- What other new models are there to consider? And what can investors do to educate themselves on these and open up new opportunities for themselves?
- How might regulation impact these connectivity models of the future?
- Fibre installation in Germany and it's impact on economy & business

-
- Dmitry Antropov, Co-Head Private Infrastructure Integrated Investments, Partners Group
 - Alexandra Horn, Head of Support for SMEs, DIN Deutsches Institut für Normung e. V.

14:35 - 15:10 Data centres: Taking centre-stage?

- Evaluating data centre's recent performance - is it their turn to be the growth asset in the digital infrastructure market?
- How are edge computing & regional data centre trends pushing the agenda for growth and what opportunities are they presenting to investors?

- Aligning strategies & vision with other stakeholders - private equity sponsors, fellow lenders or otherwise
- What strategies can you pursue to make sure that you are holding the borrower to account?
- Common challenges & hurdles in implementing change

Moderator: Gabriella Kindert, Expert In Alternative Lending and Private Debt, Supervisory Board Member, Mizuho Europe

- Monika Bednarz, Director, Lagrange Financial Advisory GmbH
- Tim Hartwig, Vice President, HOCHTIEF PPP Solutions
- Kevin Smithen, Managing Director, Strategy & Capital Formation, Digital Colony
- Christophe Strauven, Managing Director, Digital Colony

14:35 - 15:10 Panel: Fundraising & deal flow - the state of play across the world

- Reviewing activity in 2019 for infrastructure debt - how does it compare to previous years, and what will we see for the rest of 2020?
- Which regional markets are showing the most appetite for infrastructure debt deals?

- to balance the system
- Lessons learned from the recent UK power cut
 - How PPAs can increase the bankability of wind

Moderator: Ben Backwell, CEO, Global Wind Energy Council

- Christine Brockwell, Head of Partnerships and Portfolio Management, Aquila Capital
- Kunal Patel, Head of Partnerships & Structured Solutions, Ørsted
- Karl Smith, Managing Director, Green Investment Group

- Is this an infrastructure play? When will it be a viable investment for infrastructure investors?
- What are the challenges for this sector?
- Getting institutional investors comfortable with EV charging?
- What are your predictions for the role of infrastructure investors in EV charging in 2030?

Moderator: Jeffrey Altman, Senior Advisor, Finadvice AG

- Ryan Fisher, Associate Electric Vehicles, Bloomberg NEF
- Stefano Fissolo, Director - Investment Team, SUSI Partners

- How will hyperscale, movement to the cloud and other factors define the future for data centres?
- Is Europe still playing catch-up to the US? And if so, how far behind do they remain?

Moderator: Matthias Hamel, Partner, Solon Management Consulting

- Canan Anli, Head of Business Development - ICT, Mubadala Investment Company
- Cara Mascini, CEO, Edgelnfra
- Roxanna Plinsky, VP of Hyperscale Sales, International -e-shelter, NTT

- How GP's can get the most out of their placement agents and other intermediaries when it comes to fundraising efforts
- What might fundraising look like in the future? Will the same channels, intermediaries and strategies still be used in five years' time?

Moderator: Nicole Douglas, Head of Investor Research, Infrastructure Investor

- Anish Butani, Director, Private Markets - bfinance
- Kay Parplies, Head of Unit, European Commission
- Garrett Marquis, Vice President and Senior Advisor to the CEO for National Security Affairs, U.S. International Development Finance Corporation
- Agnes Mazurek, Global Head of Infrastructure Debt, Santander Asset Management

15:00 - 15:30

15:00 - 15:45

15:00 - 15:45

Why the outlook for solar is brighter than ever

- Comparing default rates to wind and other renewable investments
- How can solar be integrated better into the power system?
- Latest technological developments in solar particularly combining with batteries and what this means for potential returns
- How do long-term PPAs perform in the European solar market?

Moderator: Katherine Vinnicombe, Director and Founder, Impact Energy Partners

- Aldo Beolchini, Managing Partner and Chief Investment Officer, NextEnergy Capital
- James Brooks, Group Chief Strategy Officer, Lightsource BP
- Simon Eaves, Managing Director, Head of Clean Energy Infrastructure, Europe, Capital Dynamics
- Paul McCartie, Group Chief Investment Officer, Lightsource GP
- Laurent Segalen, Managing Partner,

Understanding how investors can make money from energy storage

- Lessons learned to date from fund managers
- Specific risks associated with storage
- Increasing the efficiency of storage whilst scaling technology & reducing costs
- Which battery projects are more attractive?

Moderator: Lars Kyrberg, Partner, Bird & Bird

- Patrick Mohr, Senior Investment Manager, Ireland Strategic Investment Fund
- Patrick Verdonck, Managing Partner, Rhymland
- Alex O'Cinneide, Chief Executive Officer, Gore Street Capital
- Keith Driver, Head of Investor Relations, SDCL

15:10 – 15:45 Panel: Risk vs reward in emerging markets digital infrastructure

- A skewing of a traditional market model? How & why emerging markets might have gained a step on developed markets in digital infrastructure
- Opportunities in Asia, Africa and elsewhere – can they bring more reward than Europe & the US for investors?
- How should you go about evaluating country risk and increased market volatility in your investment decision-making process? And how do you truly balance risk and reward?
- Ensuring you take a holistic approach and consider the market maturity model as a whole – all the way through from developed to emerging

Moderator: Paul Lam, Strategy Officer, Digital Infrastructure & Technology, Asian Infrastructure Investment Bank

- Philip Cooper, Director, Digital Infrastructure Accelerator
- Jussi Ahonen, Senior Investment Manager, Finnfund

15:10 – 15:45 Panel: A global debt market in constant motion

- Where do opportunities lie for investors in this gradually maturing market?
- A global view – is European private money putting pressure on the US PP market? And how are they responding?
- What regulatory risks are on the horizon for Europe and further afield? How can GP's and other market participants best prepare for these?
- How can investors weigh up risk versus reward in emerging markets?

Moderator: Matias Sottile, Founder, Ayres Partners

- Jonathan Duguay-Arbesfeld, Senior Director, Specialty Finance CDPQ
- M. Nicolas J. Firzli, Director-General, World Pensions (WPC)
- Jerome Neyroud, Head of Infrastructure Debt, Schroders
- Cun Yu (Jack) Wang, Fund Manager, Infrastructure Investment Department, Asset Management One Alternative Investments

Megawatt-X

15:45 - 16:00 Coffee and Networking

16:00 - 16:30

16:00 - 16:30 Keynote: The growing power of EVs

- Wiebe Wakker travelled for 3 years in an EV relying on the kindness of strangers to fund his journey. This keynote speech will tell his epic story. With infrastructure investors increasingly looking towards EV as an investment opportunity, Wiebe's story should be of great interest

Wiebe Wakker, Sustainable Adventurer & Founder, Plug Me In

16:00 - 16:30 Fireside Chat: Should investors aim higher on the risk curve? Embracing technology risk in a digital world

- The case for - why investors should embrace more technology risk in order to reap rewards
- Shaking off a debt-like mindset when it comes to digital infrastructure - what can European investors learn from their Asian counterparts?
- How are social-economic factors skewing investor attitudes and appetites in this environment?
- The case against - should investors indeed be particularly wary of risk in this lightning-paced investment market?

- Uwe Fleischhauer, Managing Director, YIELCO Investments AG
- Stefan Franssen, Geschäftsführer, Investment42
- Paul Lam, Strategy Officer - Digital Infrastructure and Technology, Asian Infrastructure Investment Bank

16:00 - 16:20 Interview: Third-party business & investment success in infrastructure debt

Moderator: Burkhard Egbers, Founder & Partner, Egbers Investment Partners

- Thomas Bayerl, Head of Illiquid Assets Debt, MEAG

16:30 - 17:00

16:30 - 17:00 Outlining the reasons fund managers are looking to Eastern Europe for returns

- Which countries offer the most exciting opportunities?
- Comparing regulatory and legal frameworks in different parts of Europe
- Strategies for gaining a foothold in the region

Moderator: Moderator: Zak Bentley, Senior Reporter, Infrastructure Investor

- Harry Boyd-Carpenter, Director - Head of Energy EMEA - Sustainable Infrastructure Group, EBRD

16:30 -17:00 The importance of not being idle - maintenance considerations in digital infrastructure

- How does it compare across data centres, fibre and towers?
- How to get ahead through active management & investment in maintenance in order to create value and maximise returns
- Evaluating asset development, maturity & long-term reliability in your investment approach, in order to truly understand maintenance costs & revenue potential
- The increasing role of service providers in maintenance provision for digital infrastructure

16:20 - 17:00 Investment Case Studies - From the front lines

This interactive session will feature different case studies from investments in the infrastructure debt market. Vote via our app for which investments you would back, and which you would avoid!

Moderator: Gabriella Kindert, Expert In Alternative Lending and Private Debt, Supervisory Board Member - Mizuho Europe

- Tod Trabocco, Director, Strategy & Research, ITE Management
