Meet the right people

Through enhanced search capabilities, you can see who is attending and filter through the attendee list by seeing only those with similar investment strategies, allocations, regions and more.

Chat and arrange 1-to-1 video meetings

Book unlimited 1-on-1 video meetings with regional and global LPs, speakers, and global attendees in virtual meeting rooms. Create a want to meet list to make sure you don't miss networking with any potential business partners.

Lead the global conversation

Through "birds of a feather" sessions, you can knowledge-share with the global private equity real estate community. "Birds of a feather" is the virtual equivalent of a breakout or roundtable at a traditional conference, you will be face-to-face with likeminded peers to push forward the asset class.

Ask your questions to the titans of industry

Following panels during the conference week, speakers will be available for live Q&A to answer your questions. Engage in live polling and receive automated reminders so you will not miss your favorite sessions.

Content on-demand when you need it

All content will be streamed live and available on-demand through the platform. Watch live or watch when it suits you from the comfort of your home (office). Private messaging and discussions are also available. You can access the platform until the end of February 2021.

The real estate investor crystal ball - What's in store for the 2020s?

The region's leaders will discuss upcoming trends, capital flows, private real estate after covid-19, and their predictions on what GPs will have to do to survive - or thrive - during the next decade.

PERE trends and alternatives

From hospitality to data centres, co-living to carpark, this panel will explore the best strategies, demographics and yields. How are the mid and long-term effects of covid-19 shaping these sectors?

Asian markets and the realities on the ground

From logistics in SEA to hospitality in Japan, this panel will discover the latest growth strategies and identify the right mix in terms of demographics and yields for mature markets in the region. What emerging markets do the panellists recommend to invest in and to avoid?

Step ahead of your competition by joining PERE Asia Week for exclusive insights and investment opportunities.
