The simplest way to secure your next capital allocation

Once you secure your place at Infrastructure Investor's premier outbound investment conference, the opportunities for fundraising are endless and begin 6 weeks out from the event.

Begin networking 6 weeks out from the event

Get a head-start on networking by downloading the new and improved conference app. You can view the full attendee list and use the direct chat function from 6 weeks out.

Organise 1-2-1 meetings with your business partners and prospects

Prior to and during the Week, contact key targets to meet in a 1-2-1 setting at the event through the app.

Join the Korean investors that matter in global infrastructure investment

Begin the week in Seoul at Korea's #1 global infrastructure investment conference, with more than 150 influential Korean LPs.

Just a short flight to Japan to connect with Asia's largest LP base

Following the Seoul Summit is a day for meetings and travel to Tokyo for the Tokyo Summit - the best place to secure capital from Japanese institutional investors.

Gain unrivalled LP insight at every opportunity

Boost your fundraising potential by receiving insider views from both Korean and Japanese investors on their fund manager selection strategies and investment preferences.

A great opportunity to network with the key players in the infrastructure industry.

Tokyo Summit 2020

10-11 September
Shangri-La Hotel

The 6th annual Summit will give attendees unrivalled networking opportunities with decision-makers from Japan's largest allocators to global infrastructure. Alongside the industry's best networking sessions, the content will also focus on how to fundraise from Japanese LPs for global projects.

It is a great avenue to understand the needs of Japanese investors.
