Japan Korea Week 2020

21 - 24 April
Seoul & Tokyo

Preliminary Conference Agenda

Expand your network of LPs and advance your fundraising goals at the third annual **Infrastructure Investor Japan Korea Week on 21-24 April 2020**.

The Week is the most efficient way to connect with more than 300 LPs from Japan and Korea, leading global fund managers, developers, and strategic advisers. By attending both the Seoul Summit (21 April) and Tokyo Summit (23-24 April) you will experience unrivalled fundraising opportunities and sharpen your investment strategies.

If you are fundraising in Asia for global infrastructure projects, you must be at the Infrastructure Investor Japan Korea Week!
