AGENDA

3:20pm **Afternoon networking break**

3:30pm **ESG programs: from policy to integration**

The principles that guide a firm's ESG program are documented in the ESG policy. Many firms also use the ESG policy to describe the scope, governance structure, and management system of the ESG program. The purpose of this session is to share insights on taking an ESG program from policy to integration.

- How detailed should an ESG policy be?
- How do you use your policy to drive ESG integration across your investments?
- What challenges did you face in integrating ESG considerations across the firm?

Moderator: Alan Kao, Global Service Line Leader - Compliance, Strategy & Transaction Services, Ramboll
