Welcome

Inside this brochure you will find detailed information on the sponsorship opportunities available at the CFOs & COOs Europe Forum.

Run off the back of our series of successful forums in New York: in 2020 we are bringing the format to London. The forum will focus on the evolving role of the CFO and COO at Private Market Funds and discusses challenges and best practice for the topics that matter most to these key positions. These include; Human Capital and Outsourcing, Technology and Cyber Security, Accounting, Finance and Tax, Reporting and Compliance and Cross Border Investing and Fund Structuring.

We've chosen to cover the alternative asset sector as a whole so Sponsoring this forum allows to you to network and build your profile with key decision makers from Private Equity, Private Real Estate, Private Infrastructure and Private Debt Funds from across Europe. With over 250 attendees expected, this is a unique opportunity to bundle together multiple marketing and outreach activities into a day and a half in

London. The programme will be based on small group learning and workshops offering multiple opportunities for intimate networking.

Every package is unique to the sponsor and will be designed with your objectives in mind. We tailor all our offerings to ensure you get the most value from working with us. We offer a range of speaking, exhibiting, branding and networking packages depend on how you want to engage with the market.

More detailed information is available upon request, please don't hesitate to contact me directly.

Best Regards,
