ExecConnect

ExecConnect is a proprietary private meeting program consisting of meticulously pre-scheduled 20-minute meetings between mutually interested GPs and LPs. Each One-to-One Meeting is carefully vetted by ExecConnect Directors to ensure that LPs looking to commit capital and GPs looking to raise capital meet in a relaxed, efficient and effective manner.

View the list of attendees in advance, pre-select those you would most like to meet and let us do the rest. ExecConnect meetings take place on both days of the conference. The deadline to book is May 27.
