Japanese and Korean investors adopt contactless practices amid covid-19

Now is the best time to virtually connect with Japanese and Korean investors at the PDI Japan Korea Week Virtual Experience. Secure capital allocations as the LPs adapt to the new normal and are willing to make decisions via video calls.

"The new trend of contactless technology (video calls) will eventually change the conventional investment process."

Hyo-Joon Ahn

Chief Investment Officer, **National Pension Service (NPS)**

"We have prepared for non-contact due-diligence at LOTTE Insurance, given the global coronavirus situation."

Janghwan Lee

Managing Director, Head of Financial Investment, **LOTTE Insurance**

"We've switched to video calls and adapted to the contactless-technology."

Katsushi Sakurai

Principal, **Hamilton Lane**

A virtual networking experience for unrivalled LP connections

The 2nd annual PDI Japan Korea Week will set a virtual stage and meeting place for regional investors and global private credit leaders to connect, share and transform the next wave of private credit investment.

EXPLORE MORE ➔

Discover new opportunities in global private debt investment

Gain immediate insights from live content, interact with new and old connections through private meetings, and replay the content on-demand at your leisure.

Customise your agenda and meetings

Schedule your small group meetings or private 1-to-1 catchups ahead of the conferences, register to keynote sessions, and jump into a roundtable that fit around your daily schedule.

Meet PDI's influential debt community anytime, anywhere

You won't miss anyone with increased visibility to the attendee list. Schedule your meetings and create your want-to-meet list prior to the conference to make sure you don't miss a potential opportunity.

Interactive networking

Join themed interactive roundtables to discuss various strategies with global decision-makers in private debt. Discuss mezzanine strategies, direct lending, and more in a relaxed yet productive virtual setting.

Bilingual premium content

All conference content will be in - English and Korean - or - Japanese and English - to ensure you gain the maximum insight available.

Interactive networking programme

Discuss the future of private credit in themed roundtables, live Q&A, and private meetings with Japan and Korea's largest allocators and fellow attendees until the end of 2020.

“I very much enjoyed the discussions held by experienced practitioner panelists.”

Jiro Shimpo
President & CEO, **Tasku Advisors**

Keynotes

Keynote fireside chat: POBA

Dong-hun Jang

CIO

Public Officials Benefit Association (POBA)

Named as one of the top 30 most influential people in private debt [🔗](#)

Dong-hun has overseen dramatic asset growth at POBA, now at \$13 billion compared with \$7.2 billion when he joined in 2015. Bringing over 30 years of well-rounded investment experience spanning equities, fixed income and alternatives to the organisation, he also serves as a member of the investment advisory committees for other Korean LPs such as Police Mutual Aid Association and Mutual Aid for Small Enterprises and Enterprises.

Meet our LP keynotes

Global LP keynote: Zurich Insurance

Brian Olvany

Head of Private Debt - Investment Management

Zurich Insurance Group

PDI Global Investor 30 #9 ranked investor

Brian Olvany manages the Zurich Insurance team responsible for the implementation and performance management of a portfolio of private debt assets (AUM\$10bn) which consists of corporate loans (leveraged, middle market and private placements) and real asset loans (infrastructure, real estate and aviation). The portfolio spans Europe, North America and Latin America and is funded from a large number of the Group's local regulated entities. He is also a member of the investment committee for Zurich Insurance's private US REIT and the UK pension plan.
