The 3rd annual **PDI Japan Korea Week Virtual Experience** is your access to Japan and Korea's influential investor network and global leaders focused on private debt investments.

Your ticket gives you immediate access to all past discussions held in 2021 and a directory of active LPs from across Asia-Pacific who have taken part.

*A good opportunity to stay connected to market participants and hear their opinions remotely.*

## Go behind the scenes of Asia-Pacific LPs and gatekeepers

Navigate volatility of the private credit world through an investor's lens. Join open dialogues on Japanese and Korean LP appetite shift, market preferences, and strategies in the next cycle.

## Share market intelligence at the LP-only roundtables

Join LP peers and top global fund managers to lead the dialogue circles. Explore market opportunities, the best strategies, and portfolio design in an intimate group setting.

## Middle market direct lending in developed markets

**BlackRock Alternative Investors, Federated Hermes, Northleaf Capital Partners**, will be among the fund managers guiding LPs through the private credit landscape of America and Western Europe. Join them to help investors dissect new opportunities and key challenges in the markets.
