Testimonials

One of the best events for connecting with other market participants.

John Anderson
Manulife

Infrastructure Investor managed to pull off the best infrastructure investing conference of 2020!

Rick Walters
GRESB

Infrastructure Investor triumphed with technology that worked perfectly and an impressive group of speakers and follow up sessions.

Campbell Gordon
Cordiant Capital

The event was a great way to listen to experts and connect with key leaders at an inflection point in the industry. The organisation of the virtual event was superb.

Mar Beltran
Globalvia

Networking was very productive.

Alena Antonava
RPMI Railpen

Great event again. The virtual platform was extremely well done - congrats on hosting a top-quality event.

Fraser Hughes
GLIO

JOIN THE NEW ERA OF NETWORKING

The best way to access and start conversations with the global infrastructure community whether in-person or virtually.

Find your next investor

Quickly and easily identify and connect with the right people. Efficiently search our extensive list of investors actively allocating to infrastructure using sophisticated filtering.

Start the conversation

Reach out to potential connections using the platforms chat function or schedule a 1-2-1 meeting.

Build a relationship

Your Global Passport gives you 12 months access to the community. But your connections don't need to stop there. We will open the doors for you, what you do after that is up to you.

Unlock superior networking opportunities

Search for potential and existing investors using our sophisticated filtering system

Send a direct message that goes direct to the recipients corporate email and platform inboxes

Schedule a meeting around the Forums and Summits on the platform

Arrange a meeting at a time that suits you through year-round access to the community list and direct messaging

Access a global community

DEEP DIVE into industry trends and challenges

Go deeper than ever into critical trends, strategies and developments with the Passport's programme of interactive workshops, big name interviews and detailed briefings tailored to give you actionable insights and focused networking.

Visit the website

Our Deep Dive series includes:

Digital Infrastructure Deep Dive

The 4th utility comes to the fore

- » Explaining the various models for fibre
- » Regulation, data location and the effect on business cases
- » Valuations: is there enough growth to cushion frothy multiples?

Strategies Deep Dive

Is healthcare an infrastructure investment?

- » Do healthcare risks belong in infrastructure or private equity?
- » Contractual characteristics, assets and employee management and governance
- » Specialised expertise needed - do these skills exist in generalist funds?

Sustainable Infrastructure Deep Dive

Making ESG more meaningful

- » How committed is the market to making ESG considerations binding?
- » Promoting good governance and incentive alignment
- » Measurement, audit and regulating ESG disclosure
