# What does a year's subscription look like?

\*Please note annual agenda is subject to change

# Testimonials

*One of the best events for connecting with other market participants.*

John Anderson  
**Manulife**

*Infrastructure Investor managed to pull off the best infrastructure investing conference of 2020!*

Rick Walters  
**GRESB**

*Infrastructure Investor triumphed with technology that worked perfectly and an impressive group of speakers and follow up sessions.*

Campbell Gordon  
**Cordiant Capital**

*The event was a great way to listen to experts and connect with key leaders at an inflection point in the industry. The organisation of the virtual event was superb.*

Mar Beltran  
**Globalvia**

*Networking was very productive.*

Alena Antonava  
**RPMI Railpen**

*Great event again. The virtual platform was extremely well done - congrats on hosting a top-quality event.*

Fraser Hughes  
**GLIO**

# JOIN THE NEW ERA OF NETWORKING

The best way to access and start conversations with the global infrastructure community whether in-person or virtually.

## Find your next investor

Quickly and easily identify and connect with the right people. Efficiently search our extensive list of investors actively allocating in infrastructure using sophisticated filtering.

## Start the conversation

Reach out to potential connections using the platforms chat function or schedule a 1-2-1 meeting.

## Build a relationship

Your Global Passport gives you 12 months access to the community. But your connections don't need to stop there. We will open the doors for you, what you do after that is up to you.

# Unlock superior networking opportunities

Search for potential and existing investors using our sophisticated filtering system

Send a direct message that goes direct to the recipients corporate email and platform inboxes

Schedule a meeting around the Forums and Summits on the platform

Arrange a meeting at a time that suits you through year-round access to the community list and direct messaging

# Access a global community
