# Achieve more at our immersive virtual experience

## Secure capital

Connect with over 300 impact investing professionals through interactive roundtables and discussions. Collaborate, share key challenges and discover solutions.

## Gain a strategic edge

Exchange best practices with leading impact funds around the world. Benchmark your strategy with the most prominent industry practitioners from the likes of Partners Group, Ares, Carlyle and many more.

## Stay connected

The platform will be open for a total of 6 months. Access it 1 month before the event and 5 months after. Maximise your time; begin direct messaging in advance, continue conversations post-event and watch the video content on-demand.

# What is on the agenda?

## Get your data strategy right

Data is central to impact performance. Learn what measurement frameworks leading funds are using to guide their investor reporting and KPIs for portfolio companies.

## Scaling impact

Hear first-hand insight on how fund managers are formulating their strategy to deliver scaled impact and what this means in practice for staffing, opportunity selection, due diligence and more.

## Investor insights

Get a view across the investor spectrum, from mission-driven endowments, pension funds, insurance, and sovereign wealth. Understand what matters most to them and how to align with their risk, return and impact expectations.

## Practical guidance on impact performance

Debate dilemmas, exchange best practices and learn what fund managers and investors working in similar contexts around the world are doing to overcome the day-to-day challenges in delivering a credible impact strategy.

## Plenty of networking opportunities

Throughout the virtual experience, the agenda has been customised with built-in networking sessions. Create new connections over pre-conference workshops, small breakouts and speed networking sessions to maximise your experience and build relationships.
