

Global Passport

FAQ's

Q: What is the Infrastructure Investor Global Passport?

A: The Infrastructure Investor Global Passport is an annual subscription built on the back of our industry-leading global events, bringing together investors and industry leaders alongside the latest market insight. The Passport assists infrastructure professionals to meet investors, secure capital commitments and gain a strategic edge.

Monthly touchpoints of community networking, knowledge-sharing, and high-level content (including access to *Infrastructure Investor's* industry-leading conference series) throughout the year are at the core of the Passport.

Q: Who subscribes to the Infrastructure Investor Global Passport?

A: The community is for everyone in the global infrastructure investment space. Members of our community come from all departments within infrastructure investment companies, fund managers, limited partners, and strategic partners.

Members are generally senior decision-makers and have titles like Managing Director, Managing Partner, Director, Partner, Chief Executive Officer, Chief Investment Officer, President, Chairman, Principal, Senior Vice President, Investor Relations, and many more.

The foundation of the Passport is the global list of investors that are looking to allocate to infrastructure across globally.

Q: How do I register for just the annual events I want to attend?

A: Registration to *Infrastructure Investor's* annual global events, including Infrastructure Investor Global Summit, Infrastructure Investor Japan Korea Week, Infrastructure Investor New York Forum, Infrastructure Investor Global Offsite, and Infrastructure Investor Japan Forum, are now part of the yearly Infrastructure Investor Global Passport subscription. You need to be an active Global Passport holder to gain access to any of our industry-leading events.

Q: Why should I and/or my team subscribe now to the Infrastructure Investor Global Passport?

A: Beginning in January, subscribers will take a deep dive into the year ahead as top infrastructure investors share their thoughts on what to expect from 2021. In February, subscribers will have access to the Australia Deep Dive, which will check in on Australia's superannuation funds.

By being on the platform live at the deep dives, forums, and summits you will maximise the value you receive. The engagement and networking capsules taking place around the sessions will be impossible to replicate by viewing the content on-demand.

Global Passport

Q: As a subscriber to Infrastructure Investor Global Passport, can I message other subscribers and set up meetings with them?

A: Yes, the platform allows all-year-round access to the community. You will be able to search and filter the subscribers of our community and send them a message inviting them to connect at any point throughout your subscription.

Q: If I cannot make every event live, will the content be recorded/on-demand to view at a future date?

A: Yes, as we know your time is very valuable, the content will be on-demand/recorded on the platform for ease of reference so you can be as involved as needed throughout the course of your subscription.

Q: What is included in the subscription to the Infrastructure Investor Global Passport?

A: The subscription includes access for an individual to attend all events across the year, plus access to community networking and monthly content delivered on the platform.

Fundraise quicker and easier by connecting with a community of investors across the world. Increase your touchpoints with investors actively allocating to global infrastructure. There are savings for subscribers that book 3 or more subscriptions.

Q: Can the subscription to Infrastructure Investor Global Passport start at any time during the year?

A: Yes, your subscription can begin at any time and last for 12 months. Access to the platform and the networking community launches at the start of January, however, you can join in any month for 12-month rolling access.

Q: When will my subscription start?

A: Your subscription will start early January with access to the platform and the networking community followed by the first deep dive into the year ahead as top infrastructure investors share their thoughts on what to expect from 2021. (Be advised that subscription access to the platform will be provided from the day you purchase – not from the beginning of the following month).

Global Passport

Q: What happens if Infrastructure Investor is able to run live events in 2021?

A: With a Global Passport you can access all live events for the duration of your subscription. Should you have a Virtual Passport and wish to attend a live event, contact us to upgrade your subscription.
