Testimonials

I find this conference the best way to network with my peers in the operating partner community. The quality of attendees and dialogue is outstanding and always helps me do my job better.

Geoffrey Baird

Senior Operating Advisor
LLR Partners

An excellent opportunity to catch up with the latest thinking and to network with peers.

David Bryan

Managing Partner & CEO
BM&T

Very insightful conference of operating colleagues sharing the challenges and best practice.

Scott Phillips

Director, Operations
ORIX Capital Partners

Wonderful event that delivered on my objectives and was good value for money.

Mark Hannigan

Founder & CEO
Fortior Ventures

In my view, this is the foremost event where the largest ecosystem of partners, suppliers and resources gather annually.

Greg J Pappas

Managing Director, Portfolio Support
Berkshire Partners

The forum is a great environment to connect with familiar faces, meet new people and discuss topical issues facing the industry

Charlotte Gregson

Managing Director UK
Comatch

JOIN THE NEW ERA OF NETWORKING

The best way to access and start conversations with the global operating partners community

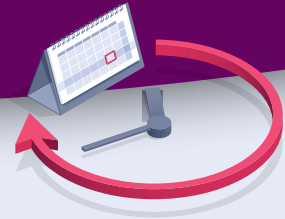

Turn peers into connections

The powerful virtual platform enables you to invite new and existing connections across the industry to join 1-on-1 or group meetings.

Access the platform tools

Play back topics you missed or review best practices and strategies with our virtual platform.

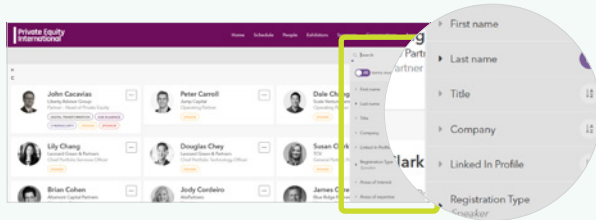

Build a relationship

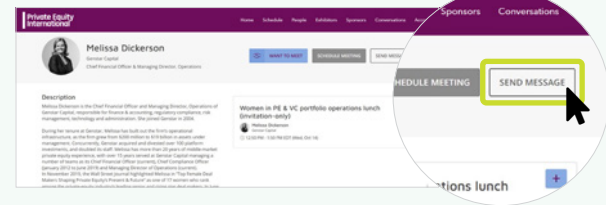

Operating Partners All Access gives you 12 months access to the community. But your connections don't need to stop there. We will open the doors for you, what you do after that is up to you.

Unlock superior networking opportunities

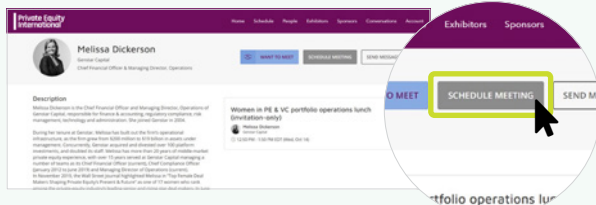

Search other members by name, title, specialization, and areas of interest

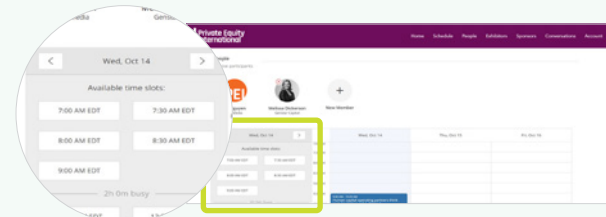

Send a direct message that goes direct to the recipient's email and platform inboxes (please note no emails are given out in the process)

Schedule a meeting on the platform

Arrange a meeting at a time that suits you with year-round access to the community list
