## Asia's leading private debt fundraising conferences

This year, we brought PDI Japan Korea Week to a fully virtual experience connecting the biggest investors, top-notch leaders, and strategic partners to discuss the new landscape for global private debt investment.

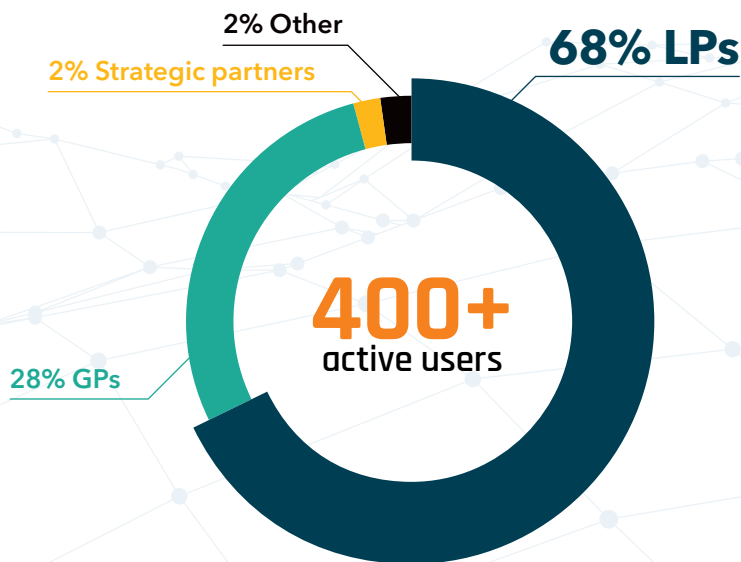

On 10 November, the PDI Seoul Forum kicked off the discussion for top investors such as LOTTE Insurance, POBA, and many more with global fund managers for trending strategies.

The PDI Tokyo Forum on 12 November, featured global LP keynote Zurich Insurance Group and connected Japan's largest investors such as Benesse Corporate Pension Fund, GPIF, Tokio Marine & Nichido Fire Insurance, The Dai-ichi Life Insurance and many more to global private debt markets.

*A good opportunity to stay connected to market participants and hear their opinions from home.*
