The PEI CFOs & COOs Europe Forum will bring together **200+ operational and finance professionals** from across private markets.

With private markets evolving at such an explosive rate, it's never been more integral for fund managers to stay on top of their in-house operations. CFOs and COOs have an increasingly stretched workload covering ESG, compliance, business culture, reporting, due diligence and much more. Hear from market leaders, and benchmark against industry peers as face-to-face networking returns. Make sure you don't miss out on two days of unmissable content and networking opportunities.

Keynote: courageous leadership in volatile and challenging times

Peter will discuss how courageous leadership can be the key to business success. Discover practical tools for increasing productivity, focus and more for you and your team in this unique keynote presentation.

- » Evaluate and optimise their own leadership style and values.
- » Build courage, increase productivity and focus and reduce stress.
- » Create a culture where people admit to and learn from mistakes, fostering team collaboration, creativity, and long-term success.

“ I am really looking forward to participating in the CFOs & COOs Europe Forum, especially as this will be a live event! The topics to be covered are totally aligned with the current situation, opportunities and risks that firms face globally in this post-pandemic world.”

–Peter McKenzie, CFO, Anticipa
