Keynote Interview: ESG and the future firm

This April, join CFO All Access for a keynote conversation with Ken Mehlman, Partner, Global Head of Public Affairs & Co-Head of KKR Global Impact at KKR. We'll sit down for an in-depth and engaging discussion in which Mr. Mehlman will share his vast insights on ESG and the Future Firm.

Addressing a range of issues including ESG, sustainability & impact investing, this timely one-on-one interview will reveal investment opportunities that have become pivotal to ensuring the firm is managed for future growth.

Ken Mehlman joined KKR in 2008 and is a Partner, Global Head of Public Affairs & Co-Head of KKR Global Impact at KKR. Since joining the firm, Mr. Mehlman has architected KKR's responsible investment efforts to create shared value for KKR investors and other stakeholders. He has also worked to identify investment opportunities by leveraging geopolitical, public policy & ESG trends. KKR Global Impact is the firm's private market investing platform investing in commercial solutions to global challenges associated with climate change, lifelong learning, sustainable living & inclusive growth. Mr. Mehlman has focused on purpose & equity throughout his career in government, politics, business and philanthropy.
