CFOs & COOs Spring Roundup All Access

March 25

A dynamic panel weighed in on hot topics in PE and advanced the issues in a timely and engaging discussion. Private equity thought leaders dissected the critical elements of the issues currently impacting finance and operations executives. The Spring Roundup Panel uncovers optimal solutions and best practices for a range of developments and challenges affecting private equity firms.

Analysis of Hot Topics in Private Equity

- Approaching valuation in the year ahead
- Operational efficiency—evaluating internal and external resources
- Defining data management at your firm
- Navigating fees and expenses in an evolving environment
- Virtual human capital management—fostering a connected firm
- Advancing ESG initiatives and priorities within the firm

Moderator:

Graham Bippart, Editor, **Private Funds CFO**

Panelists:

April Evans, Partner, CFO and CCO, **Monitor Clipper Partners**

Amy Knapp, Partner and Chief Operating Officer, **Corsair Capital**

Lance Taylor, Partner, CFO, **HGGC**

This panel is now available to all CFO All Access members on-demand, just one of many benefits you can receive as a member. Request a [demo](#) to find out more, or [join today](#) and join us for the Future Firm Keynote Interview on April 21.
