# BACK IN BERLIN.

The leading event in the industry returns to **Berlin** on **18-21 October**. The Global Summit has for over 15 years brought together infrastructure's most influential decision-makers with the world's largest gathering of capital dedicated to infrastructure. This year we are back live, in-person and better than ever.

Join us for unrivalled networking, inspirational keynote speakers, and industry-leading content you won't get anywhere else. Expand your network, gain new insights, and advance your fundraising.

*One of the best events  
for connecting with other  
market participants*

**John Anderson**  
**Manulife**

# Connect with capital.

# UNLOCK OPPORTUNITIES.

Benefit from unrivalled networking, wherever you are.

This year, you get the best of both worlds at the Global Summit. Access a new era of networking, available **in-person** and **virtually**.

## Meet the right people.

Ensure you do not miss a single new opportunity. Enhanced search capabilities and sophisticated filtering on our online platform allow you to narrow down potential connections ahead of the event.

## Build a relationship.

Reach out to potential connections using the platform's chat function. Schedule a 1-2-1 meeting ahead of the event, making your networking at the event more efficient and effective.

## Lead the global conversation.

Through themed interactive sessions across the week, you can knowledge share with the global community. Be face-to-face with like-minded peers to push forward the asset class.

# BE INSPIRED.

Hear from out-of-industry influencers, including:

**Paul Polman**

Former CEO, Unilever and  
Co-Founder and Co-Chair  
IMAGINE

Paul Polman's soon-to-be-released book *Net Positive: how courageous companies thrive by giving more than they take*, is hitting shelves this October. As CEO of Unilever (2009-2019), Polman has demonstrated that a long-term, multi-stakeholder model goes hand-in-hand with excellent financial performance. The Financial Times have described him as "a standout CEO of the past decade".

**Join Polman as he discusses how to invest to succeed both financially and socially.**

**Simon Clark**

Reporter  
The Wall Street Journal

From the copper mines of Congo to financial institutions in the City of London, Simon Clark has been reporting on a wide range of financial, economic and political subjects since 2000. A force to be reckoned with, he was nominated for a Pulitzer Prize in 2016 and his book, **The Key Man**, was released in July.

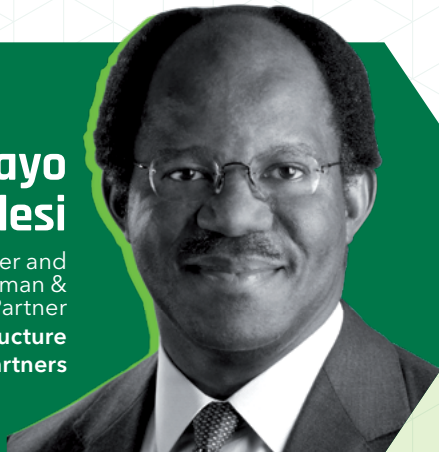

**Join Clark as he discusses his book and lessons learned from the fall of Abraj, red flags for investors to look out for, and more.**

# BE INSPIRED.

Industry heavyweights. Only the Global Summit brings you the really big names in infrastructure.

## Adebayo Ogunlesi

Founding Partner and  
Chairman &  
Managing Partner  
Global Infrastructure  
Partners

'Bayo' Ogunlesi needs little introduction. He runs Global Infrastructure Partners (GIP), an investment fund headquartered in New York City with more than \$74 billion in assets under management. GIP invests worldwide in infrastructure assets in the energy, transport, and water/waste industry sectors.

**Ogunlesi will outline his views on where infrastructure is heading in the aftermath of a global pandemic, how to address systemic and economic disadvantage and what private markets firms can do to improve diversity.**

Explore the Global Summit [👉](#)

## Sadek Wahba

Chairman & Managing  
Partner  
I Squared Capital

Sadek Wahba is an advocate for transformative approaches to infrastructure investment, and a frequent commentator about the need for more investment in infrastructure to promote sustainable economic growth. He recently served on the expert committee for the World Economic Forum's first report on global infrastructure investment.

**Wahba will join Infrastructure Investor's Senior Editor, Bruno Alves for an onstage interview to set out his roadmap for the infrastructure asset class.**

# One Summit. Four days.

## DAY ONE

### Emerging Markets Forum

#### Scaling emerging market investment in a post-pandemic world

- Explore the role of infrastructure in achieving SDGs and net-zero
- Understand the landscape of digital investment and supply of investable projects
- Facilitating the energy transition: scale, development risk and viable revenue models
- Strengthening PPPs frameworks and the lessons across jurisdictions

### ESG & Sustainability Forum

#### The role of infrastructure in the route to net-zero

- What will moving to net zero mean for infrastructure?
- Net-zero asset owners: how investors are aligning themselves with the Paris agreement
- How investors and managers can work with management teams to drive the sustainability agenda
- Sustainability in digital infrastructure investments

NEW  
FOR  
2021

### Social Infrastructure Forum

#### Investing in assets which provide essential services

- Differentiating social infrastructure from other asset classes
- How healthcare, education, housing and facilities offer long-term upside
- Where do public spaces and buildings fit in?
- Identifying investment volumes, needs and gaps

[VIEW THE AGENDA](#)

# One Summit. Four days.

## DAY TWO AND THREE

### Global Investor Forum

#### The private infrastructure industry's annual general meeting

Join the biggest names within the industry at the Global Investor Forum, the **largest gathering of institutional capital** devoted to infrastructure and the core of the Global Summit.

- What 'building back better' means for the asset class
- How fundraising prospects look for H2 and beyond
- Transportation infrastructure: the good, the bad and the ugly
- How sector-focused strategies can capitalise on market dislocations
- Debating the future of specialist and generalist products post-covid

*The Infrastructure Investor Global Summit is the one infrastructure event that everyone should attend*

**Kevin Warn-Schindel**  
HarbourVest Partners

# One Summit. Four days.

## DAY FOUR

[VIEW THE AGENDA ↻](#)

### Digital Infrastructure Forum

#### Building the inclusive digital economy of the future

- Investing towards an inclusive, global digital economy
- How the pandemic has reinforced the need for digital connectivity
- Where are we seeing significant deal activity taking place in the market?
- Why digital infrastructure is cementing its own place in investor investment portfolios

### Infrastructure Debt Forum

#### From pandemic-resilience towards sustainable growth

- Moving from strength to strength as the low interest rate environment persists
- What characteristics continue to make infrastructure debt so pandemic resilient?
- Why the flexibility of debt over infrastructure equity is making it ever popular with investors
- The role of digital and energy transition products in improving sustainable infrastructure debt investment

### Energy Transition Forum

#### The future of energy

- Global perspectives on the energy transition as the world moves to net zero
- Generating risk-adjusted returns in an ultra-competitive market
- EV charging infrastructure: is the market ready to deliver the necessary infrastructure?
- Offshore wind: is there a danger of an asset bubble as valuations continue to increase?

## At event safety

Our first priority in bringing the Global Summit back in-person is the safety of our attendees and staff. The event will be planned carefully in accordance with local advice and guidelines.

We are working closely with the city of Berlin and the Hilton to make sure we can bring you together with your peers and colleagues as safely as possible, ensuring:

- Sanitation stations are available all over the hotel
- Masks are worn in all public spaces
- Enhanced cleaning across the venue

**Further guidance will be available nearer the event.**
