The world's leading event in the industry

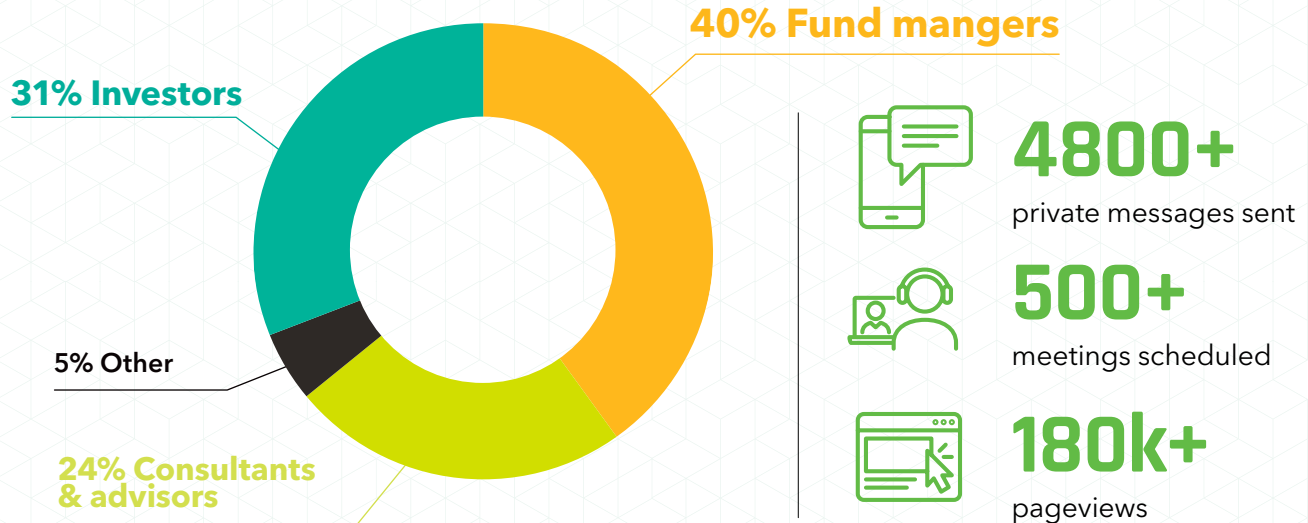

The Infrastructure Investor Global Summit virtual experience brought together **1500 attendees**, to shape the future of the industry.

The Summit allowed the asset class's most influential decision-makers to build their networks and gain new insights across four packed event days.

Great event again. The virtual platform was extremely well done - congrats on hosting a top quality event.

Fraser Hughes
GLIO

A new level of engagement

One of the best events of 2020 for connecting with other market participants.

Key insights from Global Summit Online

It makes infrastructure assets which generally provide some sort of yield, as an increasingly interesting place to put money.

Geoffrey Strong
Apollo Global Management

Over the decade, the volume of batteries is going to times 5, times 10, times 20.

Laurent Segalen
Megawatt-X

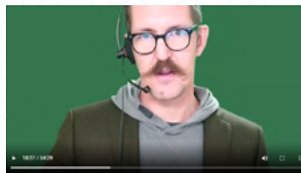

The Global Summit 2020 was a great way to listen to experts and connect with key leaders at an inflection point in the industry. The organisation of the virtual event was superb.

Mar Beltran, **Globalvia**

The organisers triumphed with technology that worked perfectly and an impressive group of speakers and follow up sessions which were valuable in themselves.

A good four days!

Campbell Gordon, Cordiant Capital
