# A NEW ERA OF NETWORKING

The best way to access and start conversations with the global real assets investors whether in-person or virtually.

## Find your investor peers

Quickly and easily identify and connect with the right people. Efficiently search our extensive list of investors actively allocating to private real estate and infrastructure using sophisticated filtering.

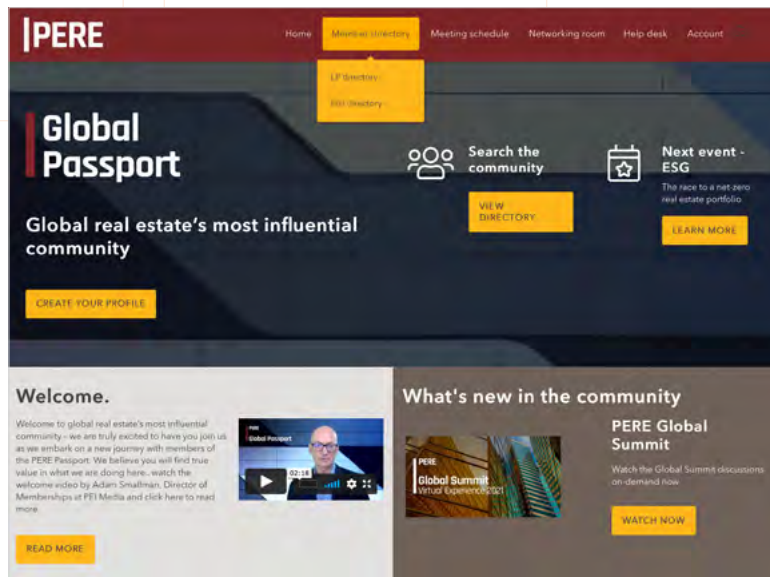

## Start the conversation

Reach out to potential connections using the platforms messaging function or schedule a 1-2-1 meeting.

1

# The directory holds global real assets' most influential networks

Head to the member directory and choose to view either the full member list or a filtered list of all investors.

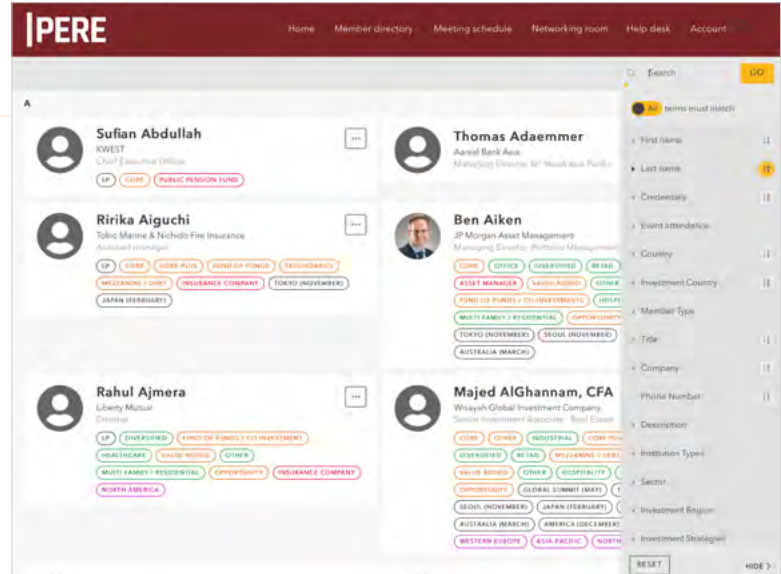

2

## Search using sophisticated filtering

You can filter the directory by investor classification, institution type, investment thesis, geographic focus and more, to find new contacts.

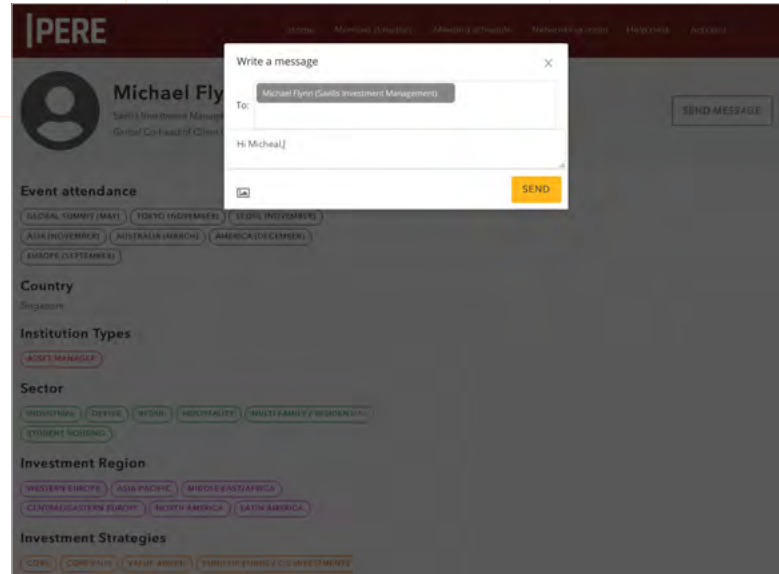

Alternatively if you know who you want to reach out to, search by name, company name, or job title.

3

## Send a direct message to anyone on the platform

This message will go to the recipient's corporate inbox and therefore no messages will be lost.

# 4

## Connect on your own terms

An opportunity to meet both online and offline at your own convenience.

# Connect with managers and peers across APAC now
