AGENDA HIGHLIGHTS at the Summit

[VIEW THE AGENDA ↻](#)

1

Investor allocations to private markets in a changed economy

2

The continued rise of impact investing in alternatives

3

Is the SPAC phenomenon an opportunity or threat to private markets?

4

Will fundraising ever be the same again?

5

How has economic disruption impacted appetite for co-investments?

Forum focus points at the Summit

Private Equity
International

Women in Private Equity Forum 2021

- How well positioned is private equity to turn the crisis into an opportunity?
- Investor perspectives on the asset class as we enter a new cycle
- Assessing the impact of covid-19 on the European midmarket
- View on the world of emerging markets: where are investors drawn to?
- Opportunities in the digital economy in the aftermath of covid-19
- Invitation only private equity think tank

Infrastructure
Investor

Women in Infrastructure Forum 2021

- Are we entering a 'roaring twenties' for infrastructure?
- Asset management: how managers have adapted capabilities to manage through disruption
- Digital infrastructure: finding value in an ultra-competitive market
- Defining social infrastructure and where private capital fits into the ecosystem
- Opportunities in the Energy Transition as the world aims for net-zero
- Invitation only infrastructure think tank

Forum focus points at the Summit

PERE

Women in Real Estate Forum 2021

- Real estate demand post-pandemic: finding opportunities in a dislocated market
- Where are the opportunities in a fiercely competitive logistics market?
- The future of offices in a post-pandemic world
- Why investors are flooding into life sciences
- Traditional vs alternative lenders: what are their intentions for the real estate market post-pandemic?
- Invitation only real estate think tank

Private Debt Investor

Women in Private Debt Forum 2021

- How has private debt fared in comparison with other strategies in the past few months?
- What role can private credit providers play in helping companies integrate ESG and sustainability?
- Distressed and special situations: how is it performing as we move along the credit cycle?
- Exploring the potential of private debt secondaries
- Why is interest in asset-backed lending increasing?
- Invitation only private debt think tank

Women in Private Markets Networking Day 2021

The Networking Day experience on 20 May

A virtual success with fantastic representation across the different asset classes and excellent content from the speakers. It was wonderful to meet so many different people I would not normally have met through speed networking. Thank you, PEI!

Louisa Yeoman
Co-Founder
Astrid Advisors

Start your networking early with a brand new cross-asset class Networking Day on 20 May included when you purchase your ticket to the Summit.

The cross-asset class agenda for the Networking Day is designed to facilitate networking. Connect during small group discussions on co-investing, fundraising in the future and ESG, as well as panel discussions considering investor allocations, fundraising in Asia and the state of private markets.

Start your Women in Private Markets Summit experience in May and continue to access the platform and make connections ahead of the Summit in December.
