Featured sessions

PDI CAPITAL STRUCTURE FORUM

Panel Discussion: How investor behaviour is evolving in the private debt space

- » The need for yield and how investors are meeting this challenge
- » As private debt becomes increasingly multi-faceted, how are investors changing their approach?
- » Direct and co-investments: are we seeing a transformation in the way investors are investing? Or is it still the minority that are adopting this approach?
- » What are the priorities when it comes to ESG?

Speakers include: **Aviva UK Life, bfinance, Campbell Lutyens and Mercer.**

Panel Discussion: Examining sector strengths and weaknesses amidst ongoing transition

- » Why a high-quality, diverse portfolio is more important than ever as the economy remains in a state of transition
- » What we can expect from different sectors as the unprecedented levels of government support are eased
- » Restructurings, defaults and preserving of liquidity: are debt funds prepared to service at the portfolio level?
- » What will the new normal look like, and which sectors will be ripe for private debt investment?

Speakers include: **Cambridge Associates, MD Partners, StepStone Group and Ver Capital.**

Network across the week

Connect in London, Munich and virtually

Join Europe's market-leading event this October through a combination of both in-person and virtual attendance. Start key conversations with the European private debt community through the many networking opportunities we have on offer.

1

Meet in-person once again

Connect with your peers face-to-face during roundtable discussions, networking breaks, panel Q&As, invite-only breakfasts and an evening drinks reception. The agenda is designed to bring attendees together and present more networking opportunities than ever before.

2

Build a valuable private debt network

Meet with 150+ active investors and benefit from our expansive European investor community who will be in attendance throughout the week of the forum. Build lasting relationships and compare best practices with your peers.

3

Private messaging

Message other attendees throughout your 6-month online platform access. Use advanced filtering to identify the people you want to meet at the event. Reach out, network, and make valuable connections at a time that suits everyone.

4

6 months access to the community

Attendees have access to our event platform 1 month before the event date and 5 months after. Login before the event to build your agenda and arrange meetings. The messaging system and session recordings will then be available for an additional 5 months after the event.
