New York Forum 2021

16 – 17 November | New York, USA

Putting capital to work in North American infrastructure

Excellent opportunity to hear multiple perspectives from industry specialists and federal and state regulators.

Lars Pace
Hamilton Lane

The premier forum for North American infrastructure investing

The New York Forum is where infrastructure market leaders gather to discuss how to drive returns in a market flooded in interest. Connect with **senior investors, fund managers and policy makers** to discuss the trends shaping infrastructure investment in North America.

Advance your fundraising

Expand your fundraising horizons by meeting the most active institutional investors looking for North American opportunities.

Uncover high-yield opportunities

Share perspectives on North American investment strategies and identify high-yield assets across the region with leading investment practitioners.

Save time building your network

Create and nurture sustainable relationships with infrastructure's elite by using our sophisticated networking platform.

Women in Infrastructure Forum New York 2021

November 17

Advancing diversity through inclusion

The Women in Infrastructure Forum New York will bring together female industry leaders to share best practices, investment strategies and infrastructure allocations with the global leaders driving the asset class. **Join informative discussions analyzing industry trends and deal flows with the most powerful women in infrastructure.**

Co-located event

The Women in Infrastructure Forum will take place on day two of the New York Forum.

*Excellent opportunity
for both learning and
networking alike.*
