Agenda highlights for the summit

Making sense of SFDR

Are you an article 8 or article 9 fund and what are the implications?

Private capital's role in the Just Transition

How to integrate climate and inequality into a simple impact strategy?

Post-COP26

Going beyond net-zero commitments, how can the impact market accelerate the energy transition?

Integrating Natural Capital

What is the role of natural capital and carbon offsets as part of your net zero investment strategy?

Innovation in financial structures

How to make impact fund structures and manager incentives fit for purpose?

Alignment on impact metrics

How are measurement standards aligning and what are the implications for your investor reporting?

Specialist vs generalist impact

What role should specialisation play in your investment remit and fund positioning?
