Hear from past attendees

As the asset class continues to grow, Infrastructure Investor's events around the globe provide both investors and global infrastructure managers with a great forum to come together and discuss the industry - where we've been and where we're going.

Brandon Donnenfeld
KKR

I found the Infrastructure Investor Summits a great opportunity to gauge the market landscape from GPs and the current appetite of LPs from both a Japanese, Korean, and global perspective.

Andrew Shin
Willis Towers Watson

An effective and efficient way to connect with senior participants in the industry - institutional investors, investment managers and financiers to discuss important trends and exchange views, that are material in investment strategies and outcomes.

Mark Weisdorf
Mark Weisdorf Associates

The events provide a great opportunity to network with the key players in the infrastructure industry.

MiSeung Kim
AIA

The PEI infrastructure events were helpful in connecting various parties in the industry. This is our first 100% virtual conference experience and we are very pleased to know that it works well!

Yusun Chung
Schroders

The Japan and Korea infrastructure conferences are always an excellent opportunity to meet investors and learn about new developments and trends in the infrastructure sector.

Helge Rau
wpd

PEI continues to drive value for the infrastructure investor marketplace in providing a fulfilling virtual experience with insightful content from top industry experts along with significant networking capabilities for attendees.

Lydia Gaylord
InstarAGF

The Tokyo Summit helped me make business decisions and investment adjustments during covid-19. It was like a very intimate conversation with the speakers, panelists, and other attendees.
