## KEYNOTE SPEAKER

# Yoshitaka Todoroki

Managing Director,  
Private Market Investment Department  
Government Pension Investment Fund (GPIF)

A renowned name in the infrastructure investment industry. Yoshitaka Todoroki joined GPIF in March 2016 from Sumitomo Mitsui Asset Management, where he led a newly established team that developed investment opportunities in the alternative space for clients mainly in the Japanese pension industry.

**Mr. Todoroki will be sharing GPIF's investing strategies for infrastructure and his perspectives on the infrastructure market.**

**Helge Rau, wpd AG**

# Agenda highlights

## Seeking strong returns in a post pandemic world

- Infrastructure winners and losers: where are GPs looking to invest/ avoid post pandemic?
- Managing risk in the current environment - country and currency risk
- Investing in transport - is it now time to reconsider the sector?

## Successfully implementing ESG strategies

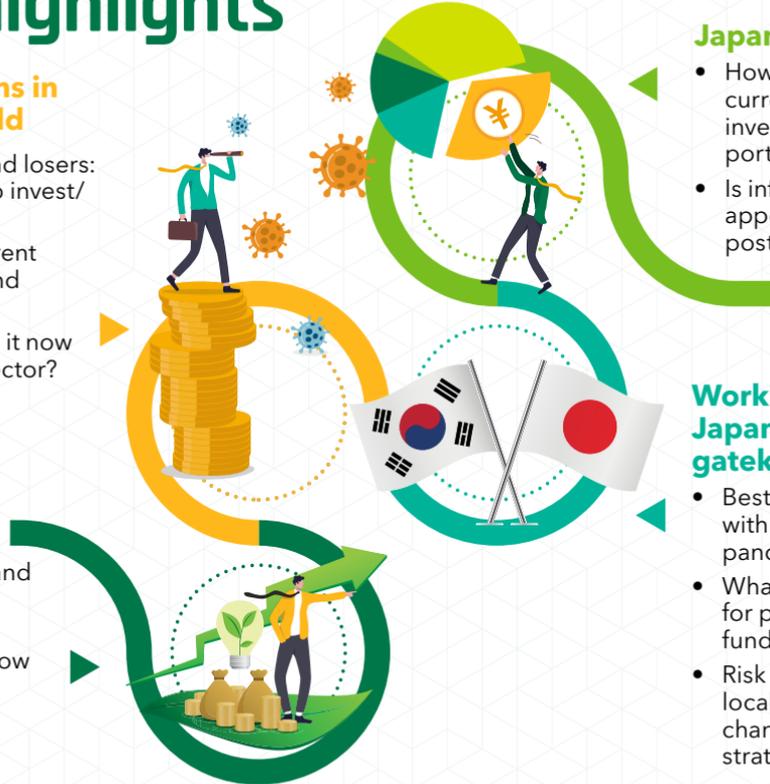

- Successfully aligning infrastructure investing and ESG needs
- How do managers really value ESG? Is it just window dressing?
- Lessons learned from experienced investors

## Japanese investor Panel

- How does infrastructure currently fit within Japanese investors alternatives portfolios?
- Is infrastructure investing appetite increasing post-pandemic?

## Working well with Japanese and Korean gatekeepers

- Best practices for engaging with gatekeepers in the post pandemic era
- What are the do's and don'ts for presenting and pitching funds?
- Risk return appetites amongst local investors - are these changing? Can higher risk strategies be feasibly pitched?
