Meet the Operating Partner Deep Dive

16 September 2021
Eastern Time (ET) | Virtual Event Available Anywhere

Learn and discuss value creation with a private equity portfolio operations expert

Our September Deep Dive virtual event will grant an opportunity to hear directly from one of your most experienced peers about his journey as an operating partner, what the future holds, and what his views are when it comes to value creation best practices.

9:55-10:00 ET **Welcome from PEI**

10:00-10:45 **Meet the Operating Partner: Cory Eaves**

- Sharing my journey as an operating partner and the evolution of the operating partner model over the past decade
- Uncovering the continuously more prominent role of technology in value creation
- Building your own partner network: inhouse vs. external
- Human capital, team building and recruiting best practices
- Interacting with your portfolio companies and engaging with management throughout the cycle
- Internal operations: working with the deal teams and how we measure progress

Interviewee:

Cory Eaves, Operating Partner, **General Atlantic**
