# How it works

An Operating Partners All Access membership provides direct access to our industry-leading network of value creation experts through large-scale forums and intimate knowledge-sharing networking events.

## All Access Conferences

### **Innovative discussions and valuable connections**

Join your peers at our member-exclusive events series, including the industry-leading Operating Partners Forums in New York, London and San Francisco. Each conference delivers actionable insight that will impact your value creation capabilities within your portfolio.

## All Access Networking

### **Networking tailored just for you**

Our series of interactive working groups, cocktails and meetings will connect you directly to operating partners and value creation experts to share and exchange best practices with and gather solutions to your toughest challenges.

# Year-round access to the Operating Partners community

Forums, networking receptions, plus all virtual and in-person events year round.

**View all conferences and networking meetings ➔**

# All Access Conferences

## Connect with your peers

Our industry-leading conferences bring together our network of operating partners and value creation leaders to learn key information that will impact your day-to-day business and overcome common challenges facing portfolio companies.

### Operating Partners Human Capital Forum

March 30-31 | New York

**Driving human capital as a key value creation lever**

Meet key players and get a firm grasp on initiatives designed to transform operations, deliver growth, and drive value creation strategies through talent.

### Operating Partners Forum: Europe

May 11-12 | London

**The value creation event for alternative asset classes**

Europe's largest event aimed at driving value within private equity owned companies will discuss how to deal with the current downturn and return to growth post-crisis.

### Operating Partners Forum: San Francisco

June 2 | San Francisco

**The leading West Coast value creation event**

Connect with the largest community of West Coast operating partners, private equity leaders, C-level executives, suppliers & resources and get a firm grasp on key initiatives to transform operations, deliver growth, and drive value.
