Tuesday 22 March

Global Investor Forum

08:30 – 08:50

Welcome from Infrastructure Investor and Chair's welcome

Nicholas Lockley, Director, EMEA Events, **PEI Media Group**
Ali Miraj, Director, Infrastructure Finance, **ING Bank**

08:50 – 09:30

Keynote panel: Putting COP26 promises into action: what infrastructure investors can do today

- How COP26 and climate change are affecting portfolio valuations
- Asset utilisation - how asset valuation will develop over the next decade
- Greenfield resilience and brownfield adaptation - what does building back better mean in this context?

Joost Bergsma, CEO & Managing Partner, **Glennmont Partners**
Gwenola Chambon, CEO & Managing Partner, **Vauban Infrastructure Partners**
Chris Leslie, Executive Director & Global Head of Sustainability, **Macquarie Asset Management**
Hajir Naghdy, Senior Managing Director, Head of Asia & Middle East, **Stonepeak**
Gijs Voskyl, Partner, **DIF Capital Partners**

Moderator: Greg Fischer, Partner and Director, Sustainable Finance & Investment, **Boston Consulting Group**

09:30 – 10:10

Is infrastructure adapting for a changing climate?

- Beyond clean energy - looking at energy storage, smart grids, decarbonisation and nature-based infrastructure
- Putting a price on physical climate risk
- Why adaptation and resilience can make a project bankable

Pilar Banegas, Investment Director, Infrastructure, **InfraRed Capital Partners**
Laurent Chatelin, Partner – Infrastructure, **Eurazeo**
Graham Matthews, Head of Infrastructure, **Patrizia**
Declan O'Brien, Head Infrastructure Research & Strategy, **UBS Asset Management, Real Estate & Private Markets**
Valeria Rosati, Partner, **Vantage Infrastructure**

Moderator: Stephanie Dunne, Senior Associate, **Clifford Chance**

10:10 – 10:50

Keynote: Learn the art and science of leadership with Gillian Tett's anthropological take on business

- Learning how to make better decisions, navigate risk and work out what our peers are really thinking

For information on how to join the Global Summit, please [get in touch](#) with a member of the team.

- Empathising with alternative views and looking back at yourself with more perspective
- Avoiding tunnel vision and identifying ‘social silences’ which can block change

Gillian Tett, Chair of the Editorial Board and Editor-at-Large, US, **Financial Times**

Followed by Q&A with: Nicholas Lockley, Director, EMEA Events, **PEI Media Group**

10:50 – 11:20

Coffee and networking

11:20 – 12:00

Keynote: Cyber security, critical national infrastructure and digitisation - what could possibly go wrong?

Tackle cybersecurity risk with award-winning NY Times journalist Nicole Perlroth of CISA as she discusses critical national infrastructure, digitisation and more.

Nicole Perlroth, Advisor, **Cybersecurity and Infrastructure Security Agency (CISA)**

Followed by Q&A with: Nicholas Lockley, Director, EMEA Events, **PEI Media Group**

12:00 – 12:40

The infrastructure scorecard: a deep dive on opportunities in the US infrastructure market

- Assessing the Biden administration through an infrastructure lens
- Getting the bipartisan framework working: what the investor community needs to see
- State-level developments on introducing or upgrading P3 legislation

Marc Ganzi, Chief Executive Officer, **Digital Bridge**

Vittorio Lacagnina, Managing Director & Head of Business Development, **Private Infrastructure Partners Group**

Ross Posner, Managing Partner, **Ridgewood Infrastructure**

Miriam Rafiqi, Managing Director, **H.I.G. Capital**

Mark Weisdorf, Managing Partner, **Mark Weisdorf Associates**

Moderator: Irene Mavroyannis, Managing Partner, Private Capital Advisory, Infrastructure/Renewables/Sustainable Investing, **Sera Global**

12:40 – 13:50

Networking lunch

For information on how to join the Global Summit, please [get in touch](#) with a member of the team.

Stream A - Sectors and strategies in focus	Stream B - The energy transition examined
<p>13:50 - 14:30 Digital and smart infrastructure: discussing risk and opportunity across the sector</p> <ul style="list-style-type: none"> • FTTH - still the key investment opportunity or getting overheated? • Beyond fibre, towers and data centres: new areas of digital examined • Driving growth and monetizing total addressable market: key questions for investors to ask of management teams <p>Jason Cogley, Managing Director, Fiera Infrastructure Chris Rigobon, Director, Northleaf Capital Partners Steven Marshall, Chairman, Cordiant Digital Infrastructure Ravi Parekh, Managing Director, GCM Grosvenor Melannie Pyzik, Managing Director - Head of Investor Solutions, Argo Infrastructure Partners</p> <p>Moderator: Anish Butani, Director, bfinance</p>	<p>13:50 -14:30 Defining the energy transition: debating the changing shape of the energy market</p> <ul style="list-style-type: none"> • Managing the transition to clean energy and what it means for funds and investors in the space • Making sure the right team and expertise is in place for a change of strategy • How to get investors comfortable with executing a net-zero product <p>Rhianydd Griffith, Senior Vice President, Federated Hermes Infrastructure Andrew Pike, Partner & co-Head of Infrastructure and Power, Ares Management Daniel von Preyss, Head of PE/Infrastructure, Executive Director, Impax Asset Management Kai Rintala, Managing Director, Taaleri Energia Hilary Struthers, Non-executive Director, Low Carbon</p> <p>Moderator: Lawrence Slade, Chief Executive Officer, GIIA</p>
<p>14.30 - 14.40 Switchover time</p>	
<p>14.40-15.20 The roadmap for more sustainable transport infrastructure</p> <ul style="list-style-type: none"> • How to decarbonise and manage road assets • Key steps: managing the electrification of transport, facilitating sustainable fuels and reducing emissions • Solving the decarbonisation of the entire freight supply chain <p>Michael Allen, Partner & Head of Transport, Arcus Infrastructure Partners Mauricio Bolana, Partner, Antin Infrastructure Partners Romain Py, Managing Director, Arjun Infrastructure Partners Stefan Weiss, Managing Director, Cube Infrastructure Managers Dr Peter Wiedenhoff, Partner, Boston Consulting Group</p> <p>Moderator: Mar Beltran, Non-executive Director, Globalvia, Monegros Energy</p>	<p>14.40-15.20 Less renewable? Exploring the darker side of the energy transition</p> <ul style="list-style-type: none"> • From reactive to pre-emptive: expanding the scope of green investment opportunities • The risk spectrum, exposure by sector and technological and market risks • Advancing a circular economy in the energy transition space <p>Carolyn Arida, Managing Director, Harrison Street Uwe Fleischhauer, Managing Director, Yielco Alastair Hall, Senior Managing Director, Europe, OMERS Infrastructure Phil Kent, Director, Gravis Capital Management Garret Tynan, Senior Director - European Head Infrastructure & Project Finance, KBRA</p> <p>Moderator: Huw Williams, Head of Investor Relations, Department for Business, Energy and Industrial Strategy, BEIS</p>

15:20 – 15:50

Coffee and networking

For information on how to join the Global Summit, please [get in touch](#) with a member of the team.

15:50 – 16:30

Achieving net zero: the case for new nuclear and RAB financing

- The importance of decarbonising the electricity grid
- How the regulated asset base model can bring down the cost of financing new nuclear
- Taking the lead on climate-smart investments for the future

Declan Burke, Director, Nuclear Projects & Development, Department for Business, Energy and Industrial Strategy, **BEIS**

Julia Pyke, Financing & Economic Regulation Director, **Sizewell C**

Stephen Vaughan, Vice Chair- Energy & Power, **Rothschild & Co**

Moderator: John Moylan, Senior Media Advisor, **Stonehaven**

16:30 – 17:10

Global Keynote Panel: The big ideas shaping the industry in 2022 and beyond

- The race to net zero - is the infrastructure industry doing enough?
- A results business: the latest on manager selection and performance monitoring
- Looking to the future: identifying and expanding into new sectors

Rodolphe Brumm, Partner, **Antin Infrastructure Partners**

Torbjorn Caesar, Senior Partner, **Actis**

Dylan Foo, Partner & co-head of Global Infrastructure, **Apollo Global Management**

Masoud Homayoun, Director, **EQT**

Surinder Toor, Managing Director, **Arjun Infrastructure Partners**

Moderator: Bruno Candes, Partner, **Infravia Capital Partners**

17:10 – 17:50

The state of play: examining investor strategies in 2022 and beyond

- Top-down institutional preference, changing risk appetites and what gets the CIO interested
- A look at the disparity in investor interest for growth/core+ strategies versus core and supercore
- Balancing the investor portfolio in a post-pandemic environment

Jean-Pascal Asseman, Head of Infrastructure Investments, **AXA**

Manuel Dusina, Head of Infrastructure, **Phoenix Group**

Bas Holsappel, Portfolio Manager, Real Assets, **Achmea Investment Management**

Felipe Ortiz, Managing Director, Infrastructure, **Brookfield**

Chantale Pelletier, Global Head of Infrastructure, **Schroders**

Moderator: Benjamin de Blegiers, Partner, **Clifford Chance**

For information on how to join the Global Summit, please [get in touch](#) with a member of the team.

17:50 – 18:00

Chair's summary and close of day one

18:00 – 19:00

Drinks reception

For information on how to join the Global Summit, please [get in touch](#) with a member of the team.

Wednesday 23 March

Global Investor Forum

08:00 – 09:00

Investor-only Think Tank session *(by invite only)*

Themes include:

- Consolidating manager relationships - separate and managed accounts, co-investments and more
- Creating investment structures and products to suit changing investor portfolio construction
- Alignment of interest issues - management fees, carry structures and assessing performance

09:00 – 09:15

Chair's welcome back

09.15 – 10.00

Keynote: A roadmap for the infrastructure asset class

- Infrastructure market trends - The 3D's: decarbonisation, digitalisation, decentralisation
- Where is money moving? New markets, sectors and the outlook for emerging market infrastructure
- Trends in motion - where are deals being done in the space?

Macky Tall, Partner & Chair Infrastructure Group, **The Carlyle Group**

Interviewer: Kalliope Gourmtis, Editor, **Infrastructure Investor**

10:00 – 10:40

Keeping the license to operate: the growing role of social issues in infrastructure

- Creating more sustainable businesses by improving social indicators
- Why social issues are as material as environmental and governance
- The new wave: how to address socioeconomic inequality; diversity, equality and inclusion, digital rights and land issues

Gordon Bajnai, Partner & Global Head of Infrastructure, **Campbell Lutyens**

Lucy Dale, Director, Infrastructure Debt, **Blackrock**

Michael Hoverman, Managing Director & Head of Global Partners Group, **CIM Group**

Michael Ryan, Chief Executive Officer, **Dalmore Capital**

Eugene Zhuchenko, Founder, **ETORE Advisory**

Moderator: Irina Frolova, Head of Asset Management, **Infrastructure PGGM**

For information on how to join the Global Summit, please [get in touch](#) with a member of the team.

10:40 – 11:10

Coffee and networking

11:10 – 11:50

Has the market accurately assessed valuations post-pandemic?

- Getting frothy: assessing prices for renewables and digital assets during the pandemic
- Public or private? Assessing differences in valuations between listed assets and those in the private markets
- Great expectations: how assumptions around the pandemic recovery, policy agendas and changing cost of capital should impact returns

Nick Langley, Managing Director, Portfolio Manager, **ClearBridge Investments**

Kevin Warn-Schindel, Managing Director, **Harbourvest Partners**

Dominik von Scheven, Senior Equity Investment Manager, **HSBC Asset Management**

David Walsh, Managing Director, **Goldman Sachs**

Moderator: Karl Smith, Managing Director, **Green Investment Group**

11:50 – 12:30

Assessing the Fit for 55 package and the European outlook going forward

- Green infrastructure needs and the EU sustainable finance strategy
- Sectors in focus: key opportunities in energy, transport, and urban infrastructure
- How quickly are the deals going to start arriving?

Jean-Francis Dusch, Managing Director, Global Head of Infrastructure & Structured Finance and CIO Infrastructure Debt (BRIDGE), **Edmond de Rothschild**

Enrique Fuentes, Managing Director, **StepStone Group**

Andreas Kindahl, Managing Director and Lead Analytical Manager, Global Infrastructure Practice, **S&P Global Ratings**

Moderator: Dr Barbara Weber, Founder & Managing Partner, **B Capital Partners**

12:30 – 13:30

Networking lunch

13:30 – 14:20

Keynote: Is Liberalism Obsolete?

For information on how to join the Global Summit, please [get in touch](#) with a member of the team.

Francis Fukuyama, the legendary political scientist and author, asks whether liberalism is obsolete. Liberal democracies are in retreat and under attack from both the Right and the Left. Francis will dissect what has gone wrong and explain how to fix it.

Francis Fukuyama, Olivier Nomellini Senior Fellow, Freeman Spogli Institute for International Studies (FSI), **Stanford University**

Followed by Q&A with: Nicholas Lockley, Director, EMEA Events, **PEI Media Group**

14:20 – 15:00

Getting things moving again: the plan for transportation infrastructure

- More PPPs and where the development will happen: ports, roads, airports and more
- The recovery of toll roads: more managed lanes, demand data and the future procurement process
- Undervalued assets and buying opportunities for transport investors

Juan Angoita, Co-Head of Infrastructure Europe, **Ardian**

Andrea Echberg, Partner, **Pantheon**

Dominic Helmsley, Head of Economic Infrastructure, **abdrn**

Damien Mitchell, First Vice President, Investments, **CIM Group**

Matthew Norman, Global Head of Infrastructure, **Credit Agricole CIB**

Moderator: Adam Smallman, Director of Membership Programs, **PEI Media Group**

15:00 – 15:30

Coffee and networking

15:30 – 16:10

The evolution of asset management before, during and after the pandemic

- How investors have managed their assets amid global travel restrictions
- Going digital: the importance of data and analytics in value creation
- AI, machine learning and more: Looking at innovation in infrastructure asset management

Rick Shotri, Founder and Managing Partner, **Digital Alpha Advisors**

Jonathan Stevens, Global Head of Asset Management, Infrastructure Debt, **BlackRock**

Liam Stewart, Chief Operating Officer, **Digital Bridge**

Mark White, Partner, **Albourne Partners**

Moderator: Frederic Blanc-Brude, Chief Executive Officer, **Scientific Infra**

16:10 – 16:30

Market update from Infrastructure Investor

For information on how to join the Global Summit, please [get in touch](#) with a member of the team.

Our reports analyse the current state of the infrastructure market and detail the significant trends affecting the asset class in each quarter. We review 2021 from a fundraising perspective and look ahead to trends for the rest of the year as the world tries to get back to normal.

Tom Zimmermann, Research Manager, Fund Managers (GPs), **Infrastructure Investor**

16:30 – 17:20

Rising valuations: The imperative to innovate for today's green infrastructure investor

- Strategies to deliver returns despite increasing valuations
- How increasing market complexity is risk and opportunity for asset owners
- Re-evaluating partnership strategies to combat market complexity
- Embracing business model evolution

Paul Hennemeyer, Advisor to Board, Origination, **RealPort**

Georg Hoefler, Head of Renewables Transactions, **Allianz Capital Partners**

Josie McVitty, Senior Advisor, Infrastructure, **New Zealand Superannuation Fund**

Dr Barbara Weber, Founder & Managing Partner, **B Capital Partners**

Moderator: Ekow Yankah, Founder, **RealPort**

17:20 – 17:30

Chair's summary and close of Global Investor Forum

For information on how to join the Global Summit, please [get in touch](#) with a member of the team.

Thursday 24 March

Energy Transition Forum	Digital Infrastructure Forum	Infrastructure Debt Forum
