Japan Korea Week 2022

14 - 16 June

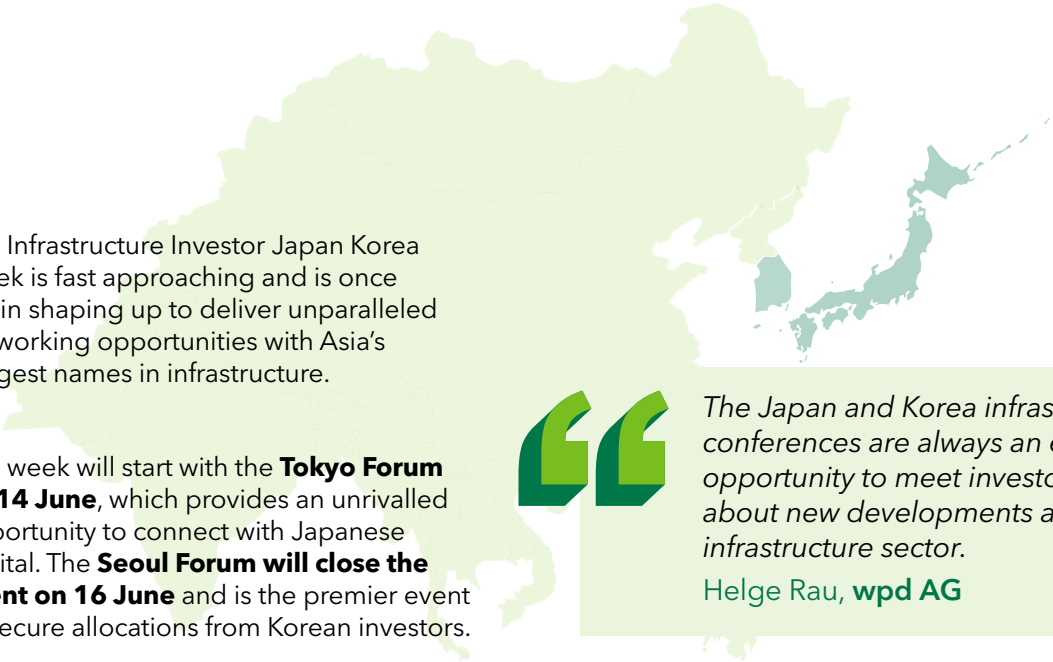

Tokyo, Shangri-La Tokyo

Seoul, Fairmont Ambassador Seoul

**Two Forums.
Unlimited fundraising opportunities.**

The logo for PEI (Public Equity Institute) is an orange square with the letters 'PEI' in white. The background of the entire slide is a photograph of a large, modern concrete bridge with multiple levels and pillars, spanning across a body of water. The bridge has a curved ramp in the foreground. The sky is bright and hazy, suggesting a sunrise or sunset. A blue car is visible on the bridge in the lower left.

PEI

The Infrastructure Investor Japan Korea Week is fast approaching and is once again shaping up to deliver unparalleled networking opportunities with Asia's biggest names in infrastructure.

The week will start with the **Tokyo Forum on 14 June**, which provides an unrivalled opportunity to connect with Japanese capital. The **Seoul Forum will close the event on 16 June** and is the premier event to secure allocations from Korean investors.

The Japan and Korea infrastructure conferences are always an excellent opportunity to meet investors and learn about new developments and trends in the infrastructure sector.

Helge Rau, **wpd AG**

Here are the top 3 reasons why you need to attend this year's event...

NUMBER 1

Hear from prestigious keynote speaker Tadasu Matsuo

Tadasu Matsuo

Managing Director, Head of Global Alternative Investments
Japan Science and Technology (JST)

Hear from the leader of Japan's newest investment giant. Tadasu Matsuo has recently been appointed to head up a new \$86.8 billion university endowment fund, tasked with generating a 4.38% annual return.

Matsuo previously led HarbourVest Partners Japan as Managing Director and co-head and holds over 30 years' experience.

Matsuo will be speaking on the newly created University Fund's investing strategy in alternatives.

PEI continues to drive value for the infrastructure investor marketplace in providing a fulfilling experience with insightful content from top industry experts along with significant networking capabilities for attendees.

Lydia Gaylord, **InstarAGF**
