APAC Summit Virtual Experience 2021

21-22 April | Virtual Event UTC+8

Post event report

Key highlights, testimonials, networking experience and more from the Summit

The conference provided significant insights into the way LPs and fund managers are thinking about APAC private credit today."

Your access to Asia's largest investor bases

The multi-day Summit offered best-in-class analysis from LPs, such as **AwareSuper**, **International Finance Corporation**, **Japan Post Bank**, and GPs, such as **BlackRock**, **Edelweiss Asset Management**, **PAG**, and many more to identify high-yielding investments across the region.

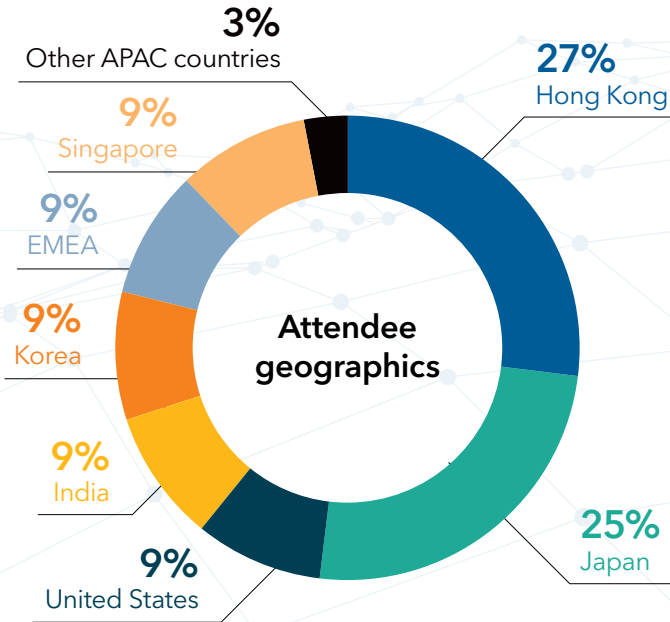

It inspired the market sense and helps me connect a new relationship.
