Meet Monetary Authority of Singapore

Cheng Khai Lim

Executive Director
Financial Markets Development Department
Monetary Authority of Singapore (MAS)

Understand why private debt and other alternatives are serving as the next key driver of growth in private markets across the Asia region in 2023 and beyond.

“Private credit will take on a vital role in supporting and financing companies which seek to seize growth opportunities in the Asia region, and providing investors an alternative choice to traditional fixed income investments and private equity investments.”
