Unmissable sessions

Opening panel: Will Asian private debt emerge stronger than ever?

Gain expert insights into building your firm's resilience and growth potential in Asian private debt amidst rising interest rates, legal improvements, opportunities, and risk adjusted returns across industry segments.

Global and regional investor views on private debt managers

Discover how investors differentiate global and local fund managers, key considerations for choosing investment partners, and due diligence practices so you can align your firm's fundraising strategies.

What is driving family offices to shift toward private markets?

Understand the views of APAC single and multi-family offices on private debt vs other alternatives buckets so you can build a future plan for your next investor.

Unrivalled networking opportunities

3 months of fundraising over 5 hours of networking

Network with 100+ APAC investors during intimate lunches, networking cocktails, and more so you can accelerate your fundraising efforts and gain actionable insights.

Market deep dives at our hosted roundtables

Explore emerging opportunities from hidden gems across the Asia-Pacific so you can prepare your firm for greater growth potential.

New in: PDI Women Network roundtables

Reserve your place at our women only roundtables to discuss trends shaping female leaders in the private debt space so you can advance your strategy and your firm's performance.
