Management**

# Agenda highlights

## Passing the stress test

Where private debt goes from here – now private debt has truly stepped out of the shadows, what scale of evolution and growth can we expect to see?

## Investor allocation across the DACH market

Examining the current sentiments and decision making of some of Europe's leading investors to deliver results when it comes to ESG. Hear first-hand how they are going above and beyond to do so.

## Uptake in co-investment strategies

How increased investor and fund manager sophistication might alter the investment landscape of the future.

## Evolving real asset debt opportunities in Europe

The reasons behind the growth in appetite and opportunity in real estate, infrastructure and more.

## Continuing ESG & impact integration

SFDR challenges, avoiding greenwashing, moving to an engagement approach at the portfolio level and how debt managers must move with the times.

# Connect with our community of active investors

# The networking experience

## Gain access to the community

Network with active investors in debt strategies in the DACH region. Benefit from our expansive regional investor community who will be in attendance throughout the two day forum.

## Network in-person in Munich

Connect in-person during roundtable discussions, networking breaks, panel Q&A, invite-only breakfasts, and an evening drinks reception. Build lasting relationships and compare best practices with your peers.

## Build a valuable private debt network

Past attendees included MEAG Munich Re, Viridum Group, HVB Pension Fund, Perpetual Investors, European Investment Fund, YIELCO Investments, BlackRock, LGT Capital Partners, and many more.
